PawPrints Magazine's Homeless Cover Model

Photo by: The Photo District

*Hi, I'm **Rizby**, a 6-year-old Pit Bull boy with a big heart, a happy smile, and a story that I hope is just beginning. Looking at me here among the sunflowers, you'd never guess that I was once found in rough shape on the roadside in Pender County. Thanks to some wonderful people who believed in me, I've blossomed into the handsome, happy boy you see today! I absolutely love people - kids included - and I have plenty of playful energy for adventures, fun and making memories with a family of my own. I've also worked very hard to become the best boy I can be, including 30 days of professional training with Jeff Coltenback. I'd love an experienced person who will keep helping me build on everything I've learned. I'm not a fan of cats, and if you have another dog, we'll want to take introductions nice and slow to make sure we're a good match.*

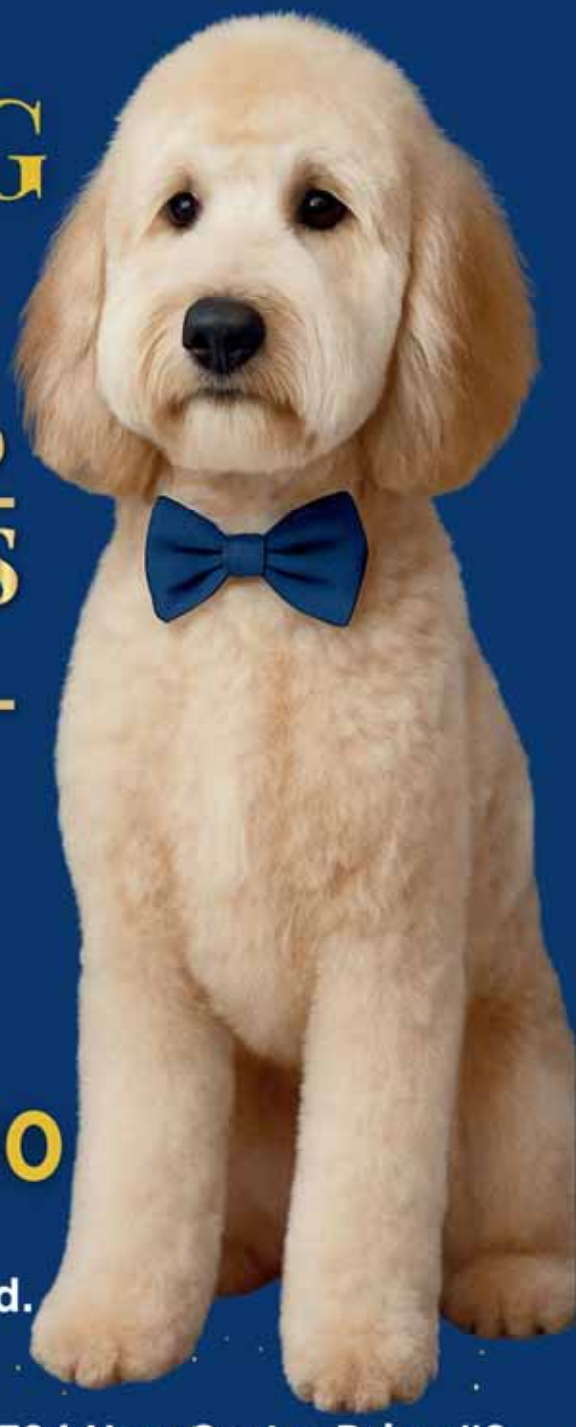

I'm heartworm free, neutered, vaccinated and microchipped, so there's really just one thing missing from my new life: you! After everything I've overcome, I'm ready to put the hard part of my story behind me and turn my face toward the sunshine. A forever home would be my dream, but a foster home would mean the world to me, too. Maybe I've been waiting all this time to bloom right where I belong - with you.

*To meet me, call **Pender County Humane Society** at **910-259-7022** or visit www.penderhumane.org and apply for my adoption online.*

Thanks to Bre from The Photo District for capturing my sunny personality in the perfect setting!

As you can see, I love perching in a window sill to look out at the exciting world! Do you have a spare window at your house? Maybe you need a kitty like me to put it to use! My name is **Duder** and I'm a 7-month-old Tuxedo boy who is neutered, up to date on all my vaccinations and litterbox-trained. I get along well with other felines and I just adore being with people. Nothing would make me happier than becoming your newest, beloved family member. Let's meet! I'm at Southport Oak Island Animal Rescue (SOAR). Adoption hours are from 8am to Noon on Monday, Tuesday, Wednesday, Friday and Saturday. The shelter is closed on Thursday and Sunday. If you have any questions, please call my friends at 910-457-6340.

Hey there, future family! My name is **Nitro**, and I'm a handsome 2-year-old, 52-pound German Shepherd mix with a heart of gold. I might still be learning my basic manners, but what I lack in polish, I more than make up for in affection! I'm medium-sized, with a fluffy coat and endless cuddles to share. I'm an energetic and playful guy, always ready for an adventure. I get along great with other dogs and cats, and I just love being around people. I haven't been around kids much yet, but my friendly nature suggests I'd do wonderfully with them, too. I have a mischievous side, and I'm still figuring out what's a toy and what isn't, so I'll need a family who can keep an eye on me when I'm exploring the house. I also love toys, but for me, the fun is in the chase - I'll drop them just as fast as I pick them up! I am fully house-trained and crate-trained. I'm searching for an energetic family who's ready to take on my puppy-like enthusiasm and help me learn how to be the best boy I can be because I can play for hours and hours! My ideal home would be one with an active lifestyle, another playful dog and people who enjoy playtime as much as I do. A yard with a six foot fence would be appreciated because of my inquisitive nature. In return, you'll get a loyal and loving companion who will fill your life with joy and laughs. If you're ready for adventure and love, I am, too! Apply at www.freedomgermanshepherdrescue.org and an adoption coordinator will be assigned to you. You may also call Freedom German Shepherd Rescue at 919-670-5905 or email info@freedomgsrescue.org. I am being fostered in Wilmington, NC.

Maggie

Maisey

We're **Maggie** and **Maisey**, a sweet bonded pair of Retriever mixes looking for our forever home together. We two girls are 1-year-old, friendly, affectionate, and happiest side by side. A fenced-in yard is required so we can safely run, explore, and enjoy life together. We are spayed, vaccinated, microchipped, on heartworm prevention and ready to go. We are so loveable and hope you'll come to Pender County Humane Society and meet us! We can go into the play area and show you what great companions we'll be. If you have any questions, give our friends a call at 910-259-7022. You can also visit their website at www.penderhumane.org and find the adoption application form under the 'Adopt' tab.

We are sponsored by the Furry Friends Re-sale Shop in honor and memory of all the animals who've passed through the doors of Pender County Humane Society.

Well, hello there, darling! My name is **Rosie**, and I'm a 6-month-old Tortie with silky-soft fur, gorgeous inky-gold coloring, and a personality that is anything but boring! I'm playful, curious, independent, and absolutely adorable. I enjoy the finer things in life - cozy beds, good food, entertaining toys, and humans who appreciate a girl with a little sass. And have you SEEN my fur? It's ridiculously soft. I'm basically a luxury blanket with legs and opinions. Now, let's discuss my future living arrangements. I'm pretty flexible! I'd be perfectly happy being your one and only feline princess, but I'd also be fine sharing my kingdom with another kitty. I haven't met dogs yet but most of us can adjust to a gentle dog that won't chase us or bark at us. What I'm really looking for is a forever family who will love me for exactly who I am - a beautiful, spirited little girl with so much love to give. I promise to bring laughter, entertainment, companionship, and just the right amount of tortitude into your life! Please reach out to Addie Catz Sanctuary if you'd like to meet me. Their phone number is 910-431-2932 or you can send an email to addiecatzsanctuary@gmail.com. I'm looking forward to being with you in my forever home!

RESCUECONNECT

Hi, I am **Walter**! I am a 7-year-old neutered gentleman who walks well on a leash and enjoys being with humans. I like to explore and the humans tell me I have a laid-back personality with just the right level of activity. I know commands such as "sit" and I am gentle when taking treats. I am still settling in after my world was turned upside down, so it would be best if I was in a home by myself or possibly had a very slow introduction to a canine companion. I am interested in what the felines are doing in my foster home but I don't chase them. Would you consider giving me a chance? I really want a new home to call my own and be part of the family! To meet me, please fill out a foster or adoption application at www.rescueconnectnc.com or you can also call 910-352-5150. ♥

UNFORGOTTEN SOULS RESCUE

Hi there! I'm **Scout**, a handsome 2-year-old Shepherd mix boy with a beautiful tan-and-cream coat, a darker saddle along my back, a fluffy tail, and the most adorable big ears! But I'm more than just a pretty face! I LOVE people and get along great with other dogs, too! I'm an energetic boy when I'm outside and enjoy exploring, but once I'm inside, I settle down pretty easily. I'm the best of both worlds: playful adventure buddy and laid-back companion! I'm also crate-trained and EXTREMELY food-motivated, so training me should be a fun and rewarding experience! I'm a loyal guy who likes to look out for my people, and I'm pretty good at entertaining myself, too. I've got so much love to give and am just waiting for someone to give me a chance. If you're looking for a wonderful companion, I'm your guy! Apply at www.theunforgottensouls.com/adopt, or send an email to theunforgottensouls@gmail.com. You can also find more photos on our Instagram and Facebook pages: www.instagram.com/unforgottensoulsrescue and www.facebook.com/unforgottensoulsrescue. ♥

FRIENDS OF FELINES

I'm **Sapphire**, a 12-week-old Orange Tabby kitten in need of a loving home. There are lots of kittens here in all shapes, sizes and colors who are waiting to be seen, noticed and adopted. Not just me! We are all as precious as can be and, since we're in foster homes, our foster families can give you all the info about our individual personalities. Apply at www.friendsofelines.org/adopt and click on the Adoption Application tab on the lower right corner. You can also email friendsofelines@aol.com or call 910-232-7741. ♥

OPERATION TOPCAT

Hi! We are the Pasta Brothers, **Gnocchi** and **Orzo**, a bonded pair who bring out the best in each other - double the fun and double the cuddles! We love to play and explore, but we also love to cuddle and watch TV, especially if it's a show about fish. To meet us, call 910-545-9885 or email otopcatnc@gmail.com. You can also apply for our adoption at www.operationtopcatnc.org. We'll get along with any animal siblings you might already have. Our playful energy would be best with older kids. ♥

HAMILTON'S HEALING HEARTS

Photo by The Photo District

Hi, I'm **Charles**, and I'm 2-years-old and about 50 pounds of sweetness, loyalty, and hope. My life hasn't always been easy, but I'm ready for a fresh start - and I'm hoping it might be with you. I'll admit, I can be shy when I first meet someone, but one thing that really helps me come out of my shell is having another dog around. I absolutely love other dogs. I'm also crate-trained and house-trained, neutered, up to date on my vaccines, and heartworm negative. Please call 910-271-5170 or send an email to hamiltonshealinghearts@gmail.com so we can meet. ♥

We are all from different Animal Rescues. Please read our stories!

COASTAL ANIMAL RESCUE EFFORT

I'm **Slim Jim**, a 3-year-old neutered male Hound mix with a heart full of love and energy! I'm always ready for fun - walks, playtime, adventures, you name it. I'm a happy, social pup who gets along great with other dogs and I'd love a furry friend to hang out with. If you're looking for a loyal adventure buddy and snuggle partner, I'm your guy! To meet me, please email carewilmington@yahoo.com or call 910-256-2624. ♥

CAROLINA BOXER RESCUE

Great News! My adoption fee has been generously covered by Invoke Staffing as part of their support for senior dogs like me! My name is **Gizmo** and I'm a 10-year-old boy who is full of personality and love. I'm dog and kid friendly and am ready to be the best friend you've ever had. I'm medium in size with a short tail and I'm cute as can be. To meet me, call 910-799-5638, email carolinaboxer@carolinaboxerrescue.org or apply for my adoption at www.carolinaboxerrescue.org. ♥

PAWSITIVE PARTNERS PRISON PROGRAM

You can tell by my big smile I am one happy, fun-loving pup! My name is **Flicker** and I'm a 9-month-old Treeing Walker Coonhound mix boy who is full of energy! I have graduated from the prison training program with Monty's Home and am looking for a family to call my own. I love to play and run and would be great in a home with another dog or with an active family to keep up with me. Please give me a chance! Fill out an adoption application at www.montyshome.org. For more info, email adopt@montyshome.org or call Gail at 732-693-8462. ♥

THE RUFFIAN FOUNDATION

Hi there, I'm **Ralph**, a sweet, gentle boy with a big heart and the most kissable chunky cheeks! Life hasn't always been kind to me. When I was rescued, I had serious injuries to my eyes and feet, but thanks to wonderful people, I've healed beautifully and am enjoying life in my foster home. My past has only made me more grateful for every gentle touch, kind word, and bit of love that comes my way. I absolutely adore other cats and would be thrilled to have a feline friend or two in my forever home! I'm FIV positive, but I'm such a peaceful, easy-going guy that I can happily share a home with non-FIV cats, too. I'm also neutered, vaccinated, and litterbox-trained. After everything I've been through, my biggest wish is simple: a family to love, a cozy place to call my own, and someone who won't mind planting lots of kisses on these chubby cheeks! To meet me, call Sharon at 910-262-8890. ♥

ADDIE CATZ SANCTUARY

Hi there! I'm **Alani**, a gentle, affectionate kitten with a very important mission in life: to make someone feel loved every single day! I adore cuddles, gentle pets, and those wonderful moments when I can curl up beside you and remind you that everything is better with a kitty nearby. And if you happen to have a lap available? Well, I would be delighted to help you keep it warm! I'm a pretty easy-going little girl, too. Have other cats? That's wonderful! I'd be happy to have feline friends. Do you prefer just one kitty to shower with love? That sounds pretty perfect, too! As long as I have kindness, affection, and a safe place to call home, I'll be a happy girl. I don't need a grand adventure or a fancy castle...just a cozy home, someone who loves me, and a promise that we'll always be family. I promise to bring sweetness, snuggles, and a little extra sunshine into your life. Interested in adopting or meeting me? Please reach out by emailing addiecatzsanctuary@gmail.com or give my friends a call at 910-431-2932. ♥

I'm **Max**! I'm a big, handsome 14-pound Tabby boy, about 5-years-old, who spent part of my life as a community cat in Holden Beach. These days, I've discovered how wonderful it is to be loved - and I can't get enough of it! I'm an incredibly sweet, affectionate guy who loves being held, snuggling with my people, and even rolling onto my side to ask for belly rubs. I'm a quiet, gentle soul, so I'd be happiest in a peaceful home without lots of noise or young kids. I get along wonderfully with other cats and have never shown aggression toward them, and I'm also okay with calm dogs who respect my personal space. I'm neutered, vaccinated, and tested negative for FeLV and heartworms. I am FIV-positive, but I'm healthy and have no illnesses related to FIV. After living life as a community cat, I think I'm ready for something pretty special - a home of my very own. If you're looking for a big, loveable boy who wants nothing more than a quiet life filled with snuggles, belly rubs, and lots of love, I just might be your Max! To learn more about me, call Debra Fincher at 804-814-2421.

I am sponsored in memory of Susan Brown.

I'm **Ginger**, a 3-year-old, 62 pound Shepherd mix girl whose journey hasn't been easy - but I'm ready for a fresh start and the life I truly deserve. I was found as a stray and brought to Duplin County Shelter. After arriving, it was discovered that I'd recently had a litter, though my puppies were never found. Based on my history, I may have been used for breeding. Despite that, I've shown nothing but resilience - and I'm ready to move forward. I am smart, affectionate and deeply loyal. I thrive with structure and routine and form strong, meaningful bonds. I love having a "job", even if it's just being your devoted shadow. My ideal adopter would be one who is Shepherd-savvy and who can provide a calm, structured environment. I love other dogs, so a confident, larger dog in the home would help me open up much more quickly. A cat-free, child-free home is best for me, too. I'm looking for someone who will guide me and appreciate everything I bring to the table. In the right home, I'll thrive! To learn more or to meet me, call Jennifer at 910-457-5051. You can also apply for my adoption through Road to Home Rescue Support at www.rthrs.com.

►My name is **Suzie** and I am thriving in foster care and enjoying all the love that I receive. I was once a homeless young mother looking after a litter of kittens, but thankfully those days are behind me and I'm looking forward to a new future. I'm so very sweet and I enjoy being petted. Like all the others on this page, I am fixed, vaccinated and litterbox-trained. To meet, call or text Cat Adoption Team at 910-599-2755. ♥

►Hello! I'm the very handsome **Albert**, the only boy in my litter. I just turned 4-months-old and I'm a total love bug, just like my sisters, Alice and Anna, who are also featured on this page. I look like my sisters, too, with brilliant gray and black Tabby stripes and the cutest pink nose and toes. I have an extra-loud purr motor that never seems to turn off. I love playing with my siblings and I'll do best in a home with one of them or another cat friend. If your lap has been feeling a little lonely lately, my sisters and I are the perfect solution for a warm and cozy winter! Please call 910-599-2755 to meet me and my siblings. ♥

▲I'm **Celine** and this is my sister, **Cindy**! Just 5-months of age, we were rescued in downtown Wilmington and bottle fed by our foster mom. Although we've now outgrown our baby stage and are very playful kittens, we still like to be cradled like babies, and we purr up a storm when our tummies are rubbed. We get along great with the other cats, but love each other the most, so we hope to be adopted together. Call 910-599-2755 to meet us! ♥

►I'm **Alice**, a 4-month-old gray and brown Tabby with the most beautiful face. I've spent most of my young life in foster care with my siblings Albert and Anna (also featured on this page). I'm chock full of kitten energy but secretly I am a space invader! The moment you sit down, I'll happily jump in your lap to kick off an enthusiastic petting session. I love my siblings, other cats and my people. I just love to be loved. To meet me, call 910-599-2755. ♥

►I'm **Anna**, the sweetest 4-month-old purrr machine that you'll ever meet. Like my siblings Alice and Albert (who are also featured on this page), I am a gorgeous brown and gray Tabby with white on my chin, paws and chest. And did I mention my luxurious, extra-long whiskers? I'm affectionate, happy and I love to snuggle, especially in laps. I have mastered the nap in a lap! Since I'm still a baby, I'll do best in a home with another kitten or friendly cat. Call or text 910-599-2755 to meet! ♥

►I'm **Jerry**, a super-active and playful kitten on the go. I'm mostly white with brown and gray Tabby patches and although I'm the only survivor of my litter, I am healthy, fearless and I even befriended the giant dog at my foster home. I am super-affectionate, loving and I purr all the time. Since my giant dog friend is not up for adoption, I would love to be welcomed to a home where there is another cat who would be my playmate. That way we can run, play, and tumble. We kittens need company and I am ready! To meet me, call my friends at 910-599-2755. ♥

◄Hello, friends! My name is **Hazel** (AF16920) and I'm a lovely Coonhound mix girl who is around 4-years-old, but I'm still young at heart! I lost my home due to family health issues, so I'm looking for a soft place to land. I'm a gentle and peacful girl and I'm still processing this life change. I lived with another dog so I'd do well with another peaceful dog in the home. My friends say I'm so easy to love, and that they know you'll fall for me when we meet. Come get to know me in the doggie dorm! ♥

◄I'm **Leo** (AF14237), the shelter's Lion-Hearted brave boy who is having to start over and find a new best friend at the ripe young age of 3. I'm looking for a home that will build up my confidence, work out my energy, and enrich my life with learning and loving. I am neutered, vaccinated microchipped, and ready to begin a new chapter in life with someone just like you. Please come over to meet me - I'm a fantastic boy! ♥

►Hi, I'm **Barrett**, (AF17527), a 5-month-old boy who can be goofy in the cutest of ways! I'm a Mystery Mix, perhaps with some Mastiff or Dane in me, and right now I'm about the size of a Lab puppy. It will be fun to see who I grow up to be! I respond well to reassurance and coaching and I could really benefit from being a pal to an easy-going dog who'll show me the ropes. Let's meet! ♥

►I'm **Abigail** (AF14025), a Husky mix girl around 10-years-old (a very young 10), and I'm smart, I know some commands, and I can be chatty when I want attention. I've done well with my doggie dorm neighbors, but I don't want to live with cats as they are quite tempting to chase! I'm a stunning girl with one brown eye and one blue eye. I invite you to come visit and get to know me...I'm a great catch! ♥

◄Hi, I'm **Penelope** (AF15665), a 7-year-old, 65-pound gentle girl with a heart as big as I am! I'm sweet, easy-going, and have a terrific personality that makes me a wonderful companion. I'm a perfect lady on the leash and love going for leisurely walks with my people. One of my favorite things is rolling around in the grass and enjoying the simple pleasures of life. Please come over and get to know me! ♥

◄I'm **Slate** (AF15975), a handsome 5-year-old Shepherd mix boy who arrived at the shelter due to being bullied by a small dog in the home. I'm now looking for a loving family who has a dog that is compatible with me, or no other dog would be fine, too. No cats, please! You can't tell from my glamour shot, but I need to lose a few pounds. We can go for walks together! ♥

I'm **Peppermint Patty**, a confident, playful little girl with a big personality and an even bigger heart. I absolutely love to play and will happily entertain myself (and you!) with my antics. When I'm feeling comfortable, I'm very affectionate - I enjoy being carried, getting kisses from my foster parents, and curling up to sleep on my foster dad. I can feel overwhelmed in busy environments like adoption fairs, where I may seem a bit dramatic - but it's only because I'm scared. Once I'm back in a calm setting or with someone I trust, I quickly settle down and show my true, sweet nature. I may be a little shy when meeting new people at first, but I warm up quickly once I realize I'm safe and loved. Just 1-year-old, I am healthy, spayed, vaccinated and litterbox-trained. To meet me, please call my foster mom Susannah with Adopt-An-ANGEL at 910-381-8926.

I am sponsored in honor of all the wonderful foster mommies and daddies who care for homeless animals.

Hi! I'm **Jebediah**, a 7-year-old, 63-pound Pointer mix boy with a big smile and an even bigger heart! I'm a gentle giant who loves making new friends, and I'm always happy to have someone by my side for a nice walk. I have wonderful leash manners, too! I'm still getting settled in here at Paws Place, but I've already shown everyone what a sweet and loving boy I am. I'm heartworm positive, but don't worry - my friends at Paws Place will provide my treatment so I can look forward to a happy, healthy future. At 7-years-young, I have so much love left to give, and all I need is someone special to share it with. Could you be the lucky person who gets to call me your best friend? Let's get together at Paws Place. The shelter is open Tuesday through Saturday from 10am to 2pm and there is no appointment necessary. Call 910-845-7297 or email info@pawsplace.org with questions.

I am sponsored by Cindy Meyers in loving memory of Sophie, Harley and Murphy.

Adopt a Black Cat!

I'm **Lil Ruthie**, an 11-month-old girl who is the sweetest little shadow. I'm a beautiful Bombay black cat who will meet you at the door, rub against your legs, and offer quiet affection. I'll thrive in a peaceful home with another gentle cat. Call **Friends of Felines** at **910-232-7741** or email friendsofelines@aol.com to see if we could be the perfect match.

Sponsored in loving memory of Roxy.

Hi there! We're **Cutie** and **Patootie**, two sweet sisters with huge hearts and enough purrs to fill your whole house! We've been inseparable since the day we were born. Where you find one of us, you'll almost certainly find the other! We love snuggling, playing, and being together, but we have plenty of love left over for everyone we meet. We're affectionate, gentle, and professional purr machines! Our story actually began before we were born. Our mama was a pregnant feral kitty rescued from an abandoned house. Thankfully, she was brought to Addie Catz Sanctuary, where we were born into safety. Unlike so many homeless kittens, we've never known hunger, fear, or life on the streets. We've only known kindness and love. Now we're ready for the next chapter of our story - a forever home of our very own! There's just one little thing: We're a package deal! We're bonded sisters and simply can't imagine life without each other. After all, why adopt one bundle of joy when you can have two? We promise to fill your home with twice the cuddles, twice the laughter, and a lifetime of unconditional love. For more information on meeting and adopting us, please call Addie Catz Sanctuary at 910-431-2932 or send an email to addiecatzsanctuary@gmail.com.

Hi, friends! I'm **Maple**, an athletic, people-focused girl who loves being included in whatever my person is doing. At 6-years-old, I'm a Lab mix who is playful and fun (tug-of-war is my fave), I enjoy being outside, and I walk great on a leash. I love belly rubs and back scratches, and while I'm not overly clingy, I'm happy to cuddle when you want me to. I'm easy-going in the house, great in the car, love toys and I have a zest for life! My story may have started out sad BUT that's in the past and now I'm enjoying life to its fullest! I won't let my past dictate my future, so bring on the fun and I will give you my amazing smile and you'll see the twinkle in my amber eyes! I would love a fenced yard BUT I'm ok if you don't have one and we can go for walks. I would also prefer to be the only furry family member so I can get every single belly rub! Don't I sound like a loveable new family member? To meet me, call Freedom Bridge Animal Rescue, NC at 843-614-0231 or email freedombridgeanimalrescuenc@gmail.com.

I am sponsored in gratitude for the Singleton family, who help make sure shelter pups like me are seen.

The volunteers say I'm a superb walking buddy who enjoys getting outside and taking in the world around me. I'm new at Paws Place and still settling in, but I'm already showing everyone what a sweetheart I am! Come on over and I'll show you. ♥

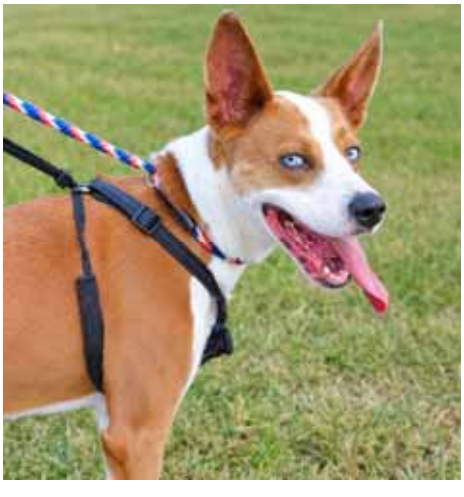

◄Hi there, my name is **Tiana**! At 1-year-old, I'm a sweet Shepherd mix girl who loves making friends, soaking up attention, and showing off my playful personality. If a happy, loving and family-friendly girl is what you're looking for this autumn, come on out to meet me! ♥

◄Hello! I'm **Ladybug**, a happy, affectionate girl who loves playing with toys, meeting new people and enjoying tasty treats. ►Hi there everyone, my name is **Chucky**! I'm a sweet 3-year-old Hound mix boy who is new to Paws Place, so they're still learning all the things that make me special. Hi there, friends! I'm a happy-go-lucky, 8-month-old Black Mouth Cur mix girl with a heart full of love and a tail that just won't quit wagging! My life didn't start out the way it should have. I was abandoned in a crate outside without shelter or even water, but I haven't let that dampen my spirit! I absolutely LOVE meeting new people, and I greet everyone like they're my new best friend! I'm an energetic girl who dreams of finding an active family to share adventures, playtime, and lots of love. I've been spayed, vaccinated and micro-chipped, so all I'm missing now is a family who will never leave me behind again. Could that be you? My ID number is **A524388** and you can find me at the New Hanover Sheriff's Office Animal Services Unit. Adoption hours are Monday through Friday from 11am to 3:30pm and on Saturday from 8am to 11:30am. For more information, please call 910-798-7500.

I am sponsored by the Hufstedler family in loving memory of their past loved fur babies: Ella, Rex, Misty, Buddy, Dottie and Houston.

My name is **Emmitt** and I'm the lone brother of the trio you see here. At 6-months-old, I'm goofy and affectionate and love playing with my sisters, chasing toys and climbing into your lap. My sister **Elliot** is a playful, spunky girl with an endlessly sweet nature. She's the champion of pouncing on feather wands, but when she's tuckered out she'll snuggle up beside you. And then there's **Essie**, she's a curious and quick-witted little explorer who is always the first to check out a new toy. Sweet and observant, she'll happily shower you with soft purrs the moment you pick her up. We can be adopted together or separately and are with RescueConnect. To meet us, please fill out an adoption application at www.rescueconnectnc.com or call 910-352-5150.

◄I'm **Lucille**, a stunning 1-year-old black Tabby with a quiet charm and a heart full of love just waiting to bloom. I'm spayed, up to date on vaccines and fully litterbox-trained. I may be shy at first, but don't let that fool you - beneath my timid shell is a sweetheart who just needs a little time and tenderness to feel at home. Once I trust you, I'll be your peaceful little shadow, always nearby, soaking up the calm. ♥

►I'm a handsome, 1-year-old black Tabby boy named **Leo**. I have a gentle soul, a soft heart and mesmerizing green eyes. I am up to date on vaccines, litterbox-trained and neutered, making me the perfect low-maintenance friend. Though a bit shy at first, I warm up with patience and kindness. I'm the kind of cat who loves cozy corners, sunny windowsills, and peaceful vibes. Could you love a sweetheart like me? ♥

◄*I'm an Overlooked Gem! Why have I been waiting at the shelter for so long?* I'm **Milo**, a very loveable, friendly, outgoing guy, just 1-year-old. I bring instant joy with my playful charm and affectionate nature. I'm neutered, up to date on vaccines, and litterbox trained...the full package! Whether I'm chasing a toy or curling up for snuggles, I'll make your day brighter. ♥

►It was love at first sight the moment the shelter staff met me! Honestly, it's impossible not to fall for my goofy grin and happy eyes. I'm **Bandit**, a handsome 2-year-old Boxer mix boy who is packed full of love, personality, and enough energy to keep life exciting every single day. Whether I'm zooming around the yard, soaking up attention, or trying to charm everyone I meet, I give life 110%. I'm playful, affectionate, and always ready to "steal" another heart. Won't you let me steal yours? ♥

►At 6-years-old, I'm more than just a beautiful girl, I'm a true survivor! My name is **Misty** and I was found barely alive, fighting for every breath. I could have given up, but I chose to fight, day by day, with a strength that everyone admires. Now, I'm here: soft, gentle, quietly resilient, and in perfect health. I know how precious life is and I'm looking for someone who believes in second chances. I may have had a rough beginning, but my future deserves to be nothing short of beautiful. If you're hoping for a companion with a heart as strong as it is sweet, I'm waiting here just for you. ♥

◄Hi, I'm **Maggie**, and the handsome fellow below me is my best friend, **Linus**. We're both 10-year-old Lab mixes, and more than anything, we're hoping to find a home where we can spend our golden years together. Life took an unexpected turn when we lost our home and ended up in a shelter. We were running out of time, but thankfully, Pender County Humane Society stepped in and gave us a second chance. Now we're waiting for someone special to give us the happy ending we deserve. At our age, we're not asking for much - just a soft bed (or two!), gentle hands, plenty of love, and a family who will spoil us silly. We're house-trained, up to date on our vaccines, spayed/neutered, and heartworm negative. A quiet home with adults only who will take us for walks sounds great to us. We seem to be good with cats, so a feline friend might be just fine. Best of all, we come as a package deal - you get twice the love and two grateful hearts. Please give Linus and me the chance to grow old together in a home of our own. We promise to make every day you give us count. ♥

◄I'm **Calypso**, a 2-year-old Tortoiseshell girl and my personality matches my beauty. I glow with love and am so friendly and outgoing. I don't hide at all. I love to be pampered and I love to be cozy. I do great with other cats and kids but I haven't had very much exposure to dogs. I am spayed, vaccinated, microchipped and healthy. Meet me at Pet Supplies Plus in Bolivia or call 910-620-3783 to arrange a meeting. ♥

►Hi! I'm **Opal**, a fantastic 2-year-old girl. I am so friendly and I LOVE people! I do well with other cats and dogs, and even kids, too. I am not shy. I can easily walk into any home and act like I always lived there. I am spayed, vaccinated, microchipped, and healthy. Meet me at Pet Supplies Plus in Bolivia or call 910-620-3783 to arrange a get-together. ♥

►*SPECIAL NEEDS ALERT!* I'm **Sally**, a DEAF 4-year-old Hound who weighs 40 pounds. I am very pretty. I can be playful and fun, and am curious and smart, but I can't hear commands or reprimands so you need to have a way to communicate with me. I respond to touch and I like to see you. I am crate-trained, good with other dogs, cats and older kids. If you have other dogs I will follow them around and do what they do. I want to be with people and I cry when I am left alone. I can be quite vocal since I can't hear myself - so no apartment living for me. I tested positive for heartworms and they are treating me. There is no extra charge to you for it. They cover the cost. I can go as a 'foster to adopt' through the treatment since it is a longer process. Do you have experience with deaf dogs? Can you help them help me? Call Jill at 910-620-3783. ♥

◄*LITTLE DOG ALERT!* I'm **Lulu**, a 2-year-old Chihuahua mix who weighs between 10 to 15 pounds. I am crate-trained. I love to snuggle under blankets and chill. I also like chew toys and am very playful with dogs of all sizes. I like to steal shoes if you're not looking (I just take them places at this point, there has been no destruction) and I like toys. I need to be leashed or in a secure fenced-in area at all times due to my shy nature. I seem to do well with cats. I do need a small fenced-in yard bcause I do not go potty outside on a leash. Please call Jill at 910-620-3783 to arrange a personal meet and greet. ♥

►*SENIOR ALERT!* I'm **Bailey**, an 11-year-old fella who does well with cats, older kids, but I am not fond of dogs. I need a slower introduction to cats, but I live with several cats in foster care so I can adapt to the right home if given time. I am a sweetheart who loves the finer things in life like canned food, predictability, and some good TV on a couch. You will not find a more loving cat than me. I love to give you kisses, head butts and rub all over you. I am neutered, vaccinated, microchipped, tested negative for FIV & FeLV and am ready for a nice home. I do have the beginning stages of kidney disease and I eat special prescription k/d food which can be provided to the right home. Call Jill at 910-620-3783 for a personal meet and greet. ♥

◄Hi friends, I'm **Dallas**, and I'm a tall guy! I might even have a little Great Dane in me or I could be a tall Lab mix. I am a 2-year-old, 76 pound puppy. I love dogs and need at least one other dog in my life to thrive. I get along with dogs of all sizes and ages although seniors are annoyed by my abounding joy. Paradoxically, I am very calm and chill for such a young pup. I seem to do well with cats that don't run away. I love taking a dip in the doggie pool and splashing in the rain and puddles, but I don't really care for baths. I am good on a leash. I am a little shy and nervous with new people, but you get to watch me blossom as I learn to trust you. My foster mom says I'm a KEEPER which means she'd keep me if she could. See, I already got someone to fall in love with me! Call Jill at 910-620-3783 for a personal meeting. ♥

For info, visit www.AnimalAllyActionFund.org or www.facebook.com/AdamsFollyBedandBiscuit

25 POUND LITTLE BEAGLE ALERT! I'm **Daisy** and my life turned upside down recently. My mom died and then, two months later, my dad died from a broken heart. Now I am the one with a broken heart. I am 7-years-old, but don't let that fool you, I am always up for a walk or an exciting car ride and can get the ZOOMIES! In fact, my favorite part of the day is my 2 mile walk with my foster mom and furry foster brother. Then I go home and crash in my foster mom's lap for a nice nap. I may not do well with cats because I have a high prey drive. However, I LOVE other dogs and would do best with a dog friend in the home. I have some separation anxiety and struggle when my people leave the house, but a dog friend helps me feel more secure. Also, I would prefer it if someone were home a lot. This is a temporary response to losing both my mom and dad within 2 months of each other. Once I am adopted and have a few months to settle into new routines, this should resolve itself. Lastly, I'll need a secure fenced-in yard since I like to follow my nose. Please call Jill with Animal Ally Action Fund at 910-620-3783 for a personal meet and greet with me.

I am sponsored by Tony and Peggy Durso. Thanks!

I'm **Smooch**! I'm a teeny-tiny girl with a huge personality, boundless energy, and a heart ready to love you BIG! Not long ago, my life almost ended before it truly began. I was just a tiny kitten when I was hit by a car. A kind stranger rushed me to an emergency vet, where they treated my injured face and contacted rescues. Without a rescue group, I was facing euthanasia. Then something wonderful happened. Addie Catz Sanctuary said YES to me! They didn't see a broken little kitten. They saw a life worth saving. And boy, am I glad they did! Because guess what? I'm all better now! I love to run, play, and explore everything! There's one very important thing to know about me: I absolutely MUST have another young, energetic kitty in my forever home! I need a bestie who loves to wrestle, chase, tumble, and play as much as I do! I've got several friends I love who are in foster care with me if you want to meet them too. Could YOU be my happily-ever-after? Please email addiecatzsanctuary@gmail.com or call 910-431-2932.

I am sponsored in loving memory of Jane "Button" Honeycutt Spencer.

Hello! We are **Dobby** and **Socks** (for the Harry Potter fans out there), and we are bonded brothers almost 2-years-old this November! We are sweet boys, great with families, neutered, litterbox-trained, and vaccinated! I'm Dobby (on the left), with the all-orange coat. I'm a playful guy who loves adventure and a little outdoor time (in a supervised space). I'm also very curious and love to stay close by to see what you're up too, and if that means a good cuddle on the couch, I'm down! I love to greet you at the door when you get home. And I'm Socks (on the right). You could probably guess my name by my four white paws. I'm a little shyer than my brother, but I still love to be with my people and get some scratches and pets! I love being in my high, cozy spots, and napping is my favorite! We would love to find a loving home where we can be a part of your family! We will fill your home with love, warmth, and purrrs. To meet us, please call or text 610-780-7511. Hope to see you soon!

ADOPT a Shelter Dog!

My name is **Ginger** (AF17182)! Sweet and petite, I'm a 2-year-old Treeing Walker Coonhound girl, just 35 pounds of precious pup. I'm social, I love my walks, and I love treats. I am sure to win you over! Come meet me at **Brunswick County Sheriff's Animal Protective Services**, or call **910-253-1738** for answers to any questions.

My name is **Jax** (AF16578)! Handsome as any Blue Tick Coonhound you ever did see, I'm a 6-year-old boy who is proudly loud, energetic and outgoing. Are you the loving family I'm looking for? Please come get to know me at **Brunswick County Sheriff's Animal Protective Services**, or call **910-253-1738** for answers to any questions.

Hi, everyone! I'm **Star**, a beautiful 2-year-old, 50-pound girl with a personality that just might make me the STAR of your life! My foster home is a farm, and I settled right into farm life, where my entourage includes dogs, cats, horses, goats, cows - and I've even been known to have a friendly chat with a chicken! Despite my star status, I'm definitely *not* a diva. I'm happiest rolling around in the dirt, splashing with my friends in the pond, and then stretching out in a chair for a little sunbathing. I adore being with my people and furry friends, and I'm so good about sticking close that I don't require a fenced yard. When we head out on the town, I'm friendly, happy and well-mannered with everyone. Every now and then, I can become a bit nervous or unsure but, with love and encouragement, I quickly regain my confidence. I'm house-trained and crate-trained so I've already mastered two important leading-lady skills! Apply for me at www.freedomgermanshepherdrescue.org and an adoption coordinator will be assigned to you. You may also call Freedom German Shepherd Rescue at 919-670-5905 or email info@freedomgsrescue.org.

Looking for a happy-go-lucky best friend? I'm your boy! I'm a handsome, 9-month-old Pit Bull Terrier with a big smile, a wagging tail, and a heart full of love! I came to the shelter as a stray, and everyone here is amazed that nobody came looking for me. But I'm not dwelling on the past because I'm too busy making new friends! I LOVE people, and I greet everyone like we've been best buddies forever. I'm an outgoing, playful youngster with plenty of energy for adventures, and I've done great at doggy day-care! I may be a fun-loving goofball, but I have a gentle side, too, especially when taking treats from your hand. I'm ready to find a family who will love me as much as I'll love them. Could you be my happy ending? My ID number is **A524162** and you'll find me at New Hanover Sheriff's Office Animal Services Unit. Adoption hours are Monday through Friday from 11am to 3:30pm and on Saturday from 8am to 11:30am. For more info, call 910-798-7500.

ADOPT: All of our cats are anxiously waiting to be adopted! Whether you want a mellow Lap Cat or a bundle of energy, we will help you choose the cat who is right for you!

ORANGE ROUGHY AND RED FISH

We are BONDED brothers! Both of us are about 4-years-young and just "BEAUTIMOUS"! That's me, Roughy, on the left. I have long blonde hair! Red is on the right. He's more of a crew cut guy! We love to play together, eat together and just hang out together! FURR is working hard to get us a home together! We are both totally vetted and ready to go! We are a teensy shy at first with new people, but after we get to know you, it's all GREAT from there! Please come to meet us...we are waiting so patiently for YOU! To arrange a visit, text 864-483-2444 or send an email to adoptafurrcat@gmail.com.

DONATE: Covering medical costs, pet supplies and food are every day expenses for FURR. We accept monetary and non-monetary donations which are tax-deductible to the extent of the law!

DAVIS AND STRIPES

We are a BONDED pair of SUPER KIND boys! Although we are not related, we spend all of our time playing together, eating and sleeping together! We are young adults and we are both GORGEOUS! We are fully vetted and just need a home to call our own! FURR rescued both of us when we were homeless and in rough shape! Pleeeease come meet us and you'll fall in love! To arrange a meeting, text 864-483-2444 or send an email to adoptafurrcat@gmail.com.

VOLUNTEER: There are lots of ways to help our cause, from raising awareness about spaying/neutering, to helping with fundraisers or simply volunteering time to care for the kitties!

BUMBLE BEE

I am just adorable, colorful and FULL of personality! I would prefer to be the only kitty in a household because I want to be the QUEEN BEE and get all the attention (and food) for myself! I am 2-years-old, fully vetted and ready to go! I have a silly, quirky personality and some "tortitude", even though I'm a Calico, so I would prefer NO other kitties or dogs… and probably not kids! They all smell! I am a favorite at FURR because I LOVE pets and scratches and I talk a lot! You've got to meet me to see how special I am! This is your opportunity to get a once-in-a-lifetime kitty...ME!!! To meet me, text 864-483-2444 or send an email to adoptafurrcat@gmail.com.

Hi there friends, I'm **Gus**, a 4-year-old, 43-pound Hound mix boy with a goofy personality, a gentle soul, and a whole lot of love just waiting to be shared! I recently finished my heartworm treatment at Paws Place, so I'm taking a little time to rest, recover, and dream about my happily-ever-after. I can be a bit shy when we first meet, but give me some patience, kindness, and a little time, and you'll discover the sweet, silly boy hiding behind these puppy-dog eyes! I'm hoping for a peaceful home with older kids (16 and up), where I can blossom at my own pace and learn what it feels like to be truly loved. I promise, winning my trust will be worth the wait. Could you be the special someone who gives me the happy ending I've been dreaming of? Let's meet at Paws Place and find out! The shelter is open Tuesday through Saturday from 10am to 2pm and there is no appointment necessary. Please call 910-845-7297 or email info@pawsplace.org with questions.

I am sponsored in loving memory of Nolan, a compassionate dog lover.

Hi everyone, my name is **Calypso**. I'm the mama of those five beautiful puppies pictured on page 43. I'm now ready to let my little family move on to their forever homes and I'm happy to say it's finally my turn to find a loving family. I'm a gorgeous Husky and Shepherd mix and my foster Mama says I'm the best gal! I am gentle with my foster family when they've helped me with my babies and I love giving them kisses. I am ready to go to my new foster or foster-to-adopt home and I do have heartworms BUT Freedom Bridge told me to tell you that they pay for everything and that I'll be just fine! So if you're looking for a gentle, sweet, beautiful girl who is good with children, then please contact Freedom Bridge Animal Rescue NC! Their number is 843-614-0231 or email freedombridgeanimalrescuenc@gmail.com.

Hi, I'm **Callie**, and I've been waiting for my forever home for over two years. I'm not sure why it's taking so long, because everyone here says I'm an absolute doll baby! I've been such a good girl during my long stay, but more than anything, I'm ready to trade kennel life for a home and family of my very own. I'm 3-years-old, a Pit Bull mix, and one of my favorite things in the whole world is giving kisses. My dream home would be with an active family who will include me in their adventures and give me plenty of time to play. I LOVE playing ball, and when playtime is over, you can often find me stretched out in the backyard soaking up the sunshine. I do well with other dogs around my own size, but I'll need a cat-free home. Those little furry creatures are just too tempting to chase! I'm already spayed, heartworm negative, up to date on my vaccines, microchipped, dewormed, and on flea prevention. In other words, I'm all ready for the most important part of my journey - the day someone finally says, "Callie, you're coming home." Please call Hamilton's Healing Hearts at 910-271-5170 or email hamiltonshealinghearts@gmail.com.

I am sponsored in honor of shelter workers everywhere.

Hi there! I'm **Clark**, a 3-year-old Hound mix, and that pretty girl beside me is my sister and best friend, **Scout**! We're a bonded pair, which means we come as a package deal — twice the love, twice the tail wags, and twice the fun! We love going on adventures, making new friends, and soaking up every bit of affection we can get. We're great with kids, too, although our enthusiastic greetings can be a little much for the littlest ones, so slow introductions are best. Whether we're out exploring the world or snuggling up with our favorite humans, we're happiest when we're together. All we need now is a family with room in their home and hearts for two loveable siblings. Adopt us both, and we promise to fill your days with double the happiness! You can meet us at Paws Place and there is no appointment necessary! The shelter is open Tuesday through Saturday from 10am to 2pm so we hope to see you one day soon. Call 910-845-7297 or email info@pawsplace.org with any questions.

I'm a 4-year-old Pocket Boxer girl named **Elvie**, just 35 pounds and a total people-pleaser! I love learning and am super easy to train. I am already house-trained and crate-trained and I play well with other dogs. I seem to be fine with cats, too. I'm scared of men at first and may growl, but after a few minutes, I'll accept love from them. Introductions to men will need to be slow, positive and respectful. I LOVE being outside and I love car rides. I talk A LOT when I play - that's just my way of playing! I'm sweet. I'm silly. I'm smart. I'm an absolute joy. My foster mom literally said, "She's amazing!!! I love her." You will, too. To meet me, call 910-799-5638, email carolinaboxer@carolinaboxerrescue.org or apply for my adoption at www.carolinaboxerrescue.org.

Hi, I'm **Ash**, a 5½-month-old little black panther with sleek fur, bright eyes and a sweet personality. I can be a little shy when we first meet, but give me a little time to know you and you'll discover my secret - I'm actually a big cuddle bug in a tiny kitten body! And that adorable sleepy girl you see curled up next to me in her cozy bed? That's my little friend **Penny**. She's 4½-months-old and is a beautiful dilute Calico with the cutest little peach-colored markings. Penny can be a little shy at first, too, but she absolutely loves other kitties, so having a feline friend around makes her very happy. When we're not busy demonstrating our expert napping skills, the two of us have plenty of kitten energy! We're playful girls who especially love toys on strings. Dangle one in front of us and suddenly we have important kitten business to attend to! Penny and I think we'd make pretty wonderful pals for life, so if you happen to have room in your heart and home for two sweet girls, we'd love to grow up together. But we understand that sometimes there's only room for one, and we can be adopted separately, too. We're both spayed, vaccinated and litterbox-trained, so all that's missing is a home to call our own. Whether you fall for a little black panther who turns into a cuddle bug or a darling dilute calico who loves kitty companionship - or maybe you fall for both of us - we hope you'll call Sharon from The Ruffian Foundation at 910-262-8890 to set up a meeting!

We are sponsored by Tony and Peggy Durso. Thanks!

►Hi, I'm **Iddy Biddy**, a very calm and quiet 8-year-old Tortie queen. I'm an independent lady, but also love to lay right next to my person in bed or on the couch for cuddles. Even though I'm generally quiet, my purrs are pretty loud, and I have A LOT of those to go around. I'm pretty calm, but I do like to play with my string toy on occasion. I get along great with other cats and I've also lived with a dog before. I'd do well with older children, too. I'd also be very happy as an only pet in the house. Call or text 910-707-4372 to meet me! ♥

►Hi, my name is **Happy Hazel**, and I'm a gorgeous 4-year-old Russian Blue mix! I may be bashful at first, but once I warm up to you, I'm incredibly sweet and friendly. I enjoy the company of other cats and do great with kids. I've not been around dogs yet, but I might get along well with a calm pup. Once I know I'm safe in a household, I am a very affectionate and playful girl who will give you unflinching love in the form of purrs and head bonks. Could you be the perfect family for me? Call or text 910-707-4372 to meet me in my foster home and find out! ♥

►Hello! My name is **Tazz**. I'm a very sweet but shy girl, and I'll need some time to get comfy in a new home. I was with my other family for 7 years until my daddy got sick. So, I'm still a little confused about the situation. I just want to be in a forever home where people can love and pet me all day long - I have quite a purr. I'd thrive in a calm household with no other animals. However, if introduced properly, I can live with other cats. I've never been around a dog or young kids. One other thing, I go wild for string toys and temptation treats. Do you have a quiet lifestyle and room in your heart for me? Oh, and lots of treats. Please call or text 910-707-4372 to meet me! ♥

►Hi everyone, my name is **Phoebe**, and I am a funny and super-snuggly princess. I survived an ordeal where I was abandoned and was found dirty, matted, sick, and with severe stomatitis. I had dental surgery to correct my stomatitis and just look at me now! I am 8-years-old, but I'm full of spunk and life - my favorite thing to do is play string with my foster dad. I am understandably shy and cautious of new people I meet, and it takes some time to earn my trust. But when you do...the only thing I'll want to do is hang and out purr with you all day. I'm sweet and very mild mannered. I don't get along with other animals, but I have multiple cats worth of love to give. Do you think I would fit into your life? I promise it'll be worth it. Call or text 910-707-4372 to meet me in my foster home! ♥

▲My name is **Minny** and I'm a sweet 6-year-old girl looking for a second chance at love and companionship. I started out with All 4 Cats as a little kitten and then lived in a household for 6 years. I was sadly returned when the family was expecting a baby. Because of this, I am now shy and unsure of others. But once I trust you, I open up and a loving kitty shines through who enjoys staying close, providing warm cuddles, and spending peaceful quiet time with my person. Creating a safe space allows for my playful and energetic side to blossom! An ideal home for me is a calm household without other pets and/or children. I need someone who will be patient and allow me to adjust to a new environment at my own pace. You'll be rewarded with unconditional love. If you have experience with cats and would like to meet me to either adopt or foster-to-adopt, please call or text All 4 Cats at 910-707-4372. ♥

TACO HERE! LET ME GO FIRST! Hi! I'm Taco! I'm just a little kitten, but I've got a big personality and lots of kitten business to attend to! My story started behind a Taco Bell, where a wonderful volunteer from Addie Catz found me all alone and hungry. Luckily, I was rescued and brought somewhere safe. And guess what happened next? I met Finn! Finn is my best friend in the whole wide world! We wrestle! We chase! We tumble! We play! HELLO, EVERYONE, I'M **FINN**! I'm 1-year old, which makes me the mature, responsible one in this friendship. Well, sort of. I was rescued from an abandoned house and am sweet, affectionate, playful, and still very much a kitten at heart. Taco is my little buddy, my wrestling partner, and my very best friend. We would LOVE to find a forever home together! We're not officially a bonded pair, so we don't absolutely have to be adopted together. But wouldn't it be wonderful if we could keep our friendship going forever? Send our humans a message! We'd love to meet you! Please reach out to Addie Catz Sanctuary to set up a date. Their phone number is 910-431-2932 or you can email addiecatzsanctuary@gmail.com.

Hi there! I'm **Tony**, a 6-month-old mixed-breed pup with a big personality, boundless energy, and a few tricks up my sleeve! I'm one smart cookie, and I'm already learning new things, especially when there are yummy treats involved. After all, I believe a hard-working pup deserves a tasty reward! I'm playful, goofy, and always ready to turn an ordinary day into an adventure. Whether I'm showing off my latest trick, zooming around, or making you laugh with my silly antics, life with me will never be boring! I'm still a youngster with lots to learn, but I promise to bring plenty of fun, laughter, and love along the way. I'm already neutered, vaccinated and ready to go. So, what do you say? Come meet me and see if I can work a little puppy magic on your heart! Maybe my greatest trick will be making you fall in love with me! I'm located at the New Hanover Humane Society. Adoption hours are Monday through Friday from 10am to 2pm and you can also call 910-763-6692 with any questions.

I am sponsored by Jackie Houser of Houser Injury Law because she can't adopt us all!

◄Hi! I'm a 1-year-old Pit Bull Terrier boy with a big smile, a happy heart, and plenty of puppy energy! I'm an outgoing, fun-loving guy who enjoys making friends and showing off my good looks for a tasty treat! I've even done well at doggy daycare, so you know I enjoy some canine company. I've been waiting at the shelter since August, and while I try to keep my tail wagging, what I really want is a family to call my own. Won't you please come over and meet me? My ID number is **A524052**. ♥

◄Hi there! I'm **Lizzy** (A525652), a 3-year-old German Shorthaired Pointer with a beautiful spotted coat, a constantly wagging tail, and a heart overflowing with love! I absolutely adore people, and if you're willing to give me a belly rub, I'll happily roll right over! My best friend is Libby - she's pictured on this page. Libby and I get along wonderfully, and while we'd love to stay together, we can also find forever homes separately. Could you be the one I've been searching for? ♥

◄Just look at these perky ears! Aren't they adorable? I'm a 1-year-old Pit Bull Terrier girl (**A524904**) with a happy personality and a whole lot of love to give! I'm super friendly, I absolutely adore attention, and I've already mastered sitting politely for treats, which I take ever so gently from your fingers. I'm always excited to make new friends, and nothing would make my tail wag more than having visitors stop by to say hello! Of course, what I'm really dreaming of is a forever family to call my own. We could be great cuddle buddies this coming winter, don't you think? Stop on by the shelter and ask to meet me, please. ♥

◄*Puppy Love Coming Your Way!* Hi there! I'm a 6-month-old Yellow Lab mix boy with a big smile, a wagging tail, and a whole lot of love to give! I LOVE to play, make new friends, and enjoy tasty treats! I'm a happy, adorable little guy who's ready to learn, grow, and share an entire lifetime of adventures with my very own family. Could you be the one I've been waiting for? Come meet me and let's find out! My ID number is **A524486** - be sure to ask for me! ♥

►Hi! I'm a handsome 2-year-old Pit Bull Terrier boy (**A525082**) with a big heart and lots of love to give! I'm a total sweetheart who loves back scratches, food puzzles, tasty treats (which I take very gently!), and simply being by your side. I do pretty well on a leash, too! I've been patiently waiting for someone to call my own, and I can't think of anything better than snuggling up together on the couch for a movie or football game on a rainy day. Are you my forever person? ♥

◄Hi there! I'm **Libby** (A525651), a 3-year-old Lab girl with a heart full of love and a tail that never stops wagging! My favorite things are meeting new friends, soaking up attention, and rolling over for a good belly rub! My former housemate Lizzy, pictured on this page, is here at the shelter with me. We haven't had the easiest life, but that hasn't dampened our happy spirits! We're both sweethearts who get along beautifully, and while we'd love to find a home together, we can be adopted separately. All I'm dreaming of is a forever family who will give me the love, freedom, and belly rubs I've been missing! ♥

Hi, I'm **Enzo** - a big and handsome guy with a very tender heart! My feelings get hurt easily, and I take things personally. If another kitty hisses at me, even once, I worry that I've done something wrong. I'm just not cut out for drama! What I really want is PEACE. A quiet home, gentle people, cozy places to nap, and a life where I can relax without worrying about others. Doesn't that sound wonderful? I'd be so happy as your one and only pet. I might also enjoy going home with one of my feline friends here at Addie Catz. There's something else I need you to know. Change is scary for me. When I move into my forever home, I'll need time to adjust. I might be frightened at first. I might need a quiet place to hide while I figure things out. Please don't mistake that for not wanting your love. I just need someone who understands that some of us take a little longer to feel safe. If you have a quiet home, a gentle spirit, and enough patience to let a big, soft-hearted fellow find his courage, I think we could have something pretty wonderful together. For more information on meeting and/or adopting me, please call Addie Catz Sanctuary at 910-431-2932 or send an email to addiecatzsanctuary@gmail.com.

Hi, I'm **Timber**, but my friends call me Mr. T! I'm a 1-year-old Pit Bull Terrier with 28 pounds of wiggles, happiness, and unconditional love just waiting to be shared! I'm a fun-loving pup who knows how to make everyone smile, and I'm always ready for a new adventure. I'm still figuring out what all the fuss is about when it comes to chasing balls and playing with toys, but I'm a curious little guy who's eager to learn! I get especially excited watching other dogs, and I think having a canine buddy of my very own might be pretty wonderful! My previous family could no longer care for me, so I'm hoping for a fresh start with someone who will love me forever. I'm neutered, up to date on vaccines, and heartworm negative, so I'm all ready to begin my next chapter! I'm located at Brunswick County Sheriff's Animal Protective Services and I'd love to see you here! Please call 910-253-1738 with adoption questions or just come out to the shelter and meet me!

I am sponsored by Robyn Davis in loving memory of Lou.

◄I am **Kerry**, a boy, and I'm the last one left of my litter. All of the others have been adopted. I really don't know why since I am the prettiest one...and the nicest...and, well, you get it. I guess the people all wanted girls or they absolutely would have adopted me first instead of my sisters. I'm sure you know the saying, "leaving the best for last" and that is what I think is going on here...it has to be! ♥

◄My name is **Weston**. I'm a shiny, sleek black cat and I'm 7-months-old. I really, really want to be the only cat in a family. I do have a brother, **Walter**, and a sister, **Wilma**, but I'd rather be with people than be with them. They are black and white. If someone would please adopt them, I wouldn't have to worry about some family thinking that I need a sibling to be adopted with me. Please come and meet me. You'll find that I'm friendly to people - I just don't enjoy the company of other cats. ♥

◄My name is **Saber** and I was recently returned to Cat Tails. I don't really know why I was returned but I guess the people talked about that. All I know is what I see in the mirror: I'm a big, handsome, 3-year-old, male gray Tabby who looks scared to death. Why do I look scared? Because I am! I don't remember this place and there are too many other cats here and I don't know any of these people and nothing smells or sounds familiar and all I really want to do is hide. If you come get me and take me home with you, I would probably hide for a while, but when I come out, will you be my friend? I want to sit in your lap and sleep in your bed and play with you and all of the toys we can find! ♥

◄I came to Cat Tails a little while ago as a single kitten. A man walked past his wife's truck and heard meowing so he started searching for whoever was making the sound. Eventually, he found me! I'm a 7-month-old Calico girl. I was named **Sierra**, since that is what I chose to hide under. I've never had, nor do I remember, the experience of living in a real home with a family of my own. I would love to be adopted by a nice family who would take me home and love me forever. ♥

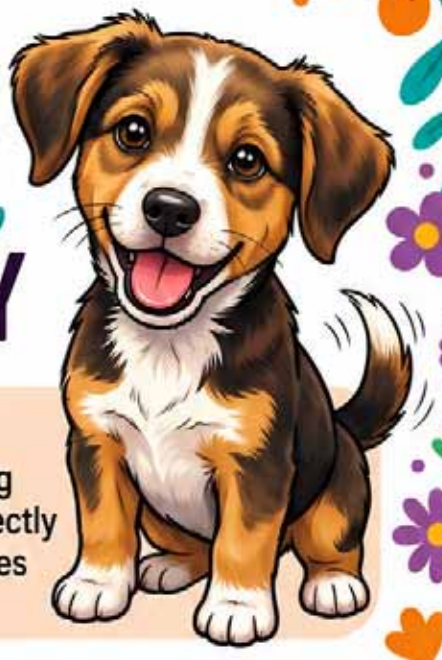

▲We are the most wonderful litter of kittens or, at least, that's what people tell us. We are the girls, **Brie** and **Blink**, and our brothers are **Bomba** and **Boyd**. We are all 7-months-old and looking for good homes. They say we are quiet and we love attention. We are positive that the best toys are the ones that have a person at the other end. They also say that we are snuggly, sweet and affectionate. Wow, we sound like the perfect cats. I'm sure at least one of us would be perfect with your family. And, if you can't make up your mind which one, just adopt two! ♥

5 REASONS TO ADOPT, NOT BUY, YOUR NEXT PUPPY

1

You Save Lives:

Adopting a pet gives a deserving animal a second chance and directly combats the high euthanasia rates of healthy animals in shelters.

2

2. You Fight Puppy Mills:

Buying puppies from pet stores or online often supports unethical, cruel commercial breeding operations (puppy mills).

3

It is Highly Cost-Effective:

Adoption fees are generally much lower in shelters and typically include essential medical services like vaccinations, microchipping, and spay/neuter, significantly reducing initial veterinary costs.

4

You Can Find a Trained, Healthy Pet:

Many shelter animals are already house-trained or trained in basic behaviors, reducing the stress of training a new puppy. Furthermore, mixed-breed pets, common in shelters, often have fewer genetic health issues.

5

You Receive Lifetime Support and Compatibility Matching:

Shelters and rescue groups work to match you with a pet that suits your lifestyle and often provide resources for training and behavioral support after adoption.

◄At 3 to 4-months-old and 21 pounds, I'm **Snowball**, a fluffy little Lab mix girl who is expected to reach 50 to 55 pounds fully grown! I'm social, affectionate, playful, and pretty darn close to the perfect puppy! I just love people, am great with kids ages 7 and up, and I enjoy the company of other dogs but I'd also thrive as your one-and-only. I'm doing great with crate-training, I'm working on house-training and my personality is sweet and easy-going. Let's meet soon! ♥

◄I'm **Fiona**, a sweet 3½ to 4-month-old girl weighing 16 pounds, but I'll be around 45 to 55 pounds when fully grown. I'm playful, affectionate and gentle, and can be shy with new people but I warm up beautifully with patience! I LOVE other dogs and would thrive with a confident canine friend, though I could adjust to being a solo pup, too. I do well with dog-savvy cats, I'm superb in my crate and I'm doing amazing with my house-training. I'd love a calmer home with a patient family, a flexible schedule and kids 12 and up. ♥

◄Hi, I'm **Tater Tot!** At 5-years-old and nearly 70-pounds, I'm a Lab mix boy who is sweet, easy-going and the perfect mix of adventure buddy and couch potato. I love swimming, fetch, hiking, and walks, but I'm just as happy curling up with my people and pretending I'm a lap dog. I'm affectionate, loyal, goofy, and full of personality. I am house-trained, leash-trained, great in public, excellent in the car and have lived peacefully with both dogs and cats. I've also worked with trainer EZK9 on meal-time resource guarding and have made great progress. My adopter can also attend monthly EZK9 alumni sessions with me to continue reinforcing all that I've learned. Could I be your perfect first mate? ♥

◄I'm **Dudley**, aka STUDLEY! At 2½-years-old and 67 pounds, I'm a handsome boy with a BIG personality and even BIGGER love to give! Rescued from the euthanasia list with less than 24 hours to spare, I am pure sunshine and I absolutely LOVE life! I adore everyone I meet, I do great with other dogs, I attend doggy daycare, and I'm a rockstar on public outings and car rides. I've got so much love inside and am ready to shower my forever family with every bit of it! Kids 5 and up are best suited for me due to my size. Let's meet and get to know each other! ♥

◄I'm **Monty**, a blue-eyed cutie-pie puppy boy weighing 14 pounds and expected to reach about 55 pounds fully grown. Born around July 17 of this year, I'm sweet, social, easy-going and a rockstar in my crate! I'm working on house-training, I love toys and treats, and I do great with dogs and cats. I'd be happy with or without another dog and I'd do well with respectful kids. Like any puppy, I need continued training, patience and a flexible schedule! ♥

◄At 4-years old and 84 pounds, I'm a sweet girl named **Wheatie** who is the definition of an easygoing, steady companion! I'm calm, gentle, and an all-around AWESOME dog. I'm great with other dogs, couldn't care less about cats, and I'd be wonderful with kids ages 5 and up! I have great house manners, I'm a rockstar at the vet and groomer, and I'm simply a joy to have around. If you're looking for a laid-back, loveable girl to share your life with, I might just be your perfect match! Please make a plan to meet me. ♥

Hi there, I'm **Bodhi**, a fun-loving mixed-breed boy just 2½-years-old! There are three things I love in life: beach sunrises (just kidding, I'd rather do zoomies all day), snuggling on the couch with a bowl of water and a side of sports, and being the ultimate chill buddy - solo or with the squad. Oh, and I've got manners...most of the time...I'm a guy, after all! I love to play, hang with my humans, I enjoy other pups and I'm just an all-around fabulous fellow waiting for my very own family. Could that be yours? Email Freedom Bridge Animal Rescue NC at freedombridgeanimalrescuenc@gmail.com or give them a call at 843-614-0231. I can't wait to meet you!

I am sponsored in loving memory of Diane Pour, who left this world a better place for having been in it.

Hi, I'm **Toby**, a 1½-year-old, 26-pound Terrier mix looking for a family to call my very own! I can be a little anxious in new surroundings, but give me some time to feel safe and you'll see what a sweet, fun-loving guy I really am. I love playing with toys, going for walks, hanging out with other dogs, and I'm great with kids of all ages. I'm house-trained and crate-trained, and I'd especially love a home where someone is around often so I can be your loyal little sidekick. I'm neutered, vaccinated, microchipped and healthy. All I need is a little patience and lots of love. Give my friends from Hamilton's Healing Hearts a call at 910-271-5170 or please send them an email to hamiltonshealinghearts@gmail.com so we can meet.

I am sponsored in honor of Puff, a small poodle who brings enormous joy to his family.

Adopt A Senior Pet Month

Older pets have just as much love to give!

ALREADY GROWN
Their personality is known, so you know what to expect.

OFTEN TRAINED
Many are already house-trained and know basic manners.

CALMER COMPANIONS
They tend to be more laid-back and enjoy a slower pace.

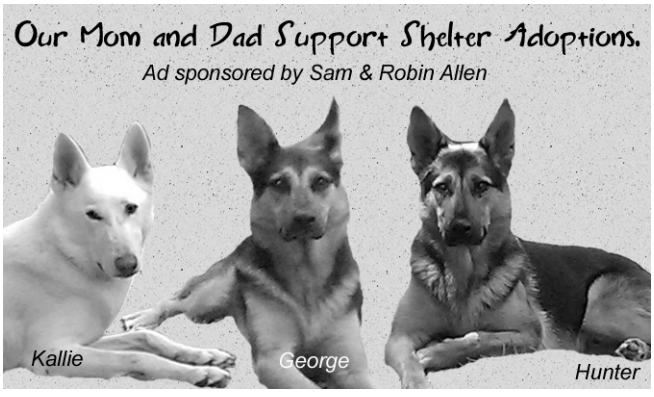

JUST AS LOVING
They have so much love and gratitude to give.

CHANGE A LIFE
You'll give a deserving pet a second chance at a happy home.

Age is just a number... but love is forever.

You'll find many wonderful senior dogs and cats throughout this issue of *PawPrints Magazine* who are waiting for a loving home.

PLEASE LOOK THROUGH THE PAGES FOR THEM!

I'm **Missy** and I've been told I'm the perfect house cat. I love curling up beside my people for a snuggle or a nap. I can be a little shy with new people but, once I settle in, I'm an affectionate and chatty companion who will tell you all about my day. My favorite things are stretching out my toe beans, gravy treats, sunbathing and chasing a wand toy. I do well with other cats so I may enjoy a home with another cat companion. Dogs are an unknown, but with slow introductions, I may adjust just fine. I'll do well with children who respect my boundaries and I'll come to you fully vetted, spayed, vaccinated and litterbox-trained. If you're looking for a loving companion, please call or text All 4 Cats at 910-707-4372.

I am sponsored by Danny and Lisa Merritt in memory of all their fur babies waiting at the Rainbow Bridge.

I'm **Winston**, a 2-year-old professional lap-warmer and world-class snuggler! A Chihuahua mix boy, I originally came to CARE with a broken leg, but I'm all healed up and officially ready for adoption! I'm a tiny guy with a big heart, and I'm looking for a family to shower with affection. I love being held like a baby and sleeping right next to you. If you're looking for a personal space invader in the best way possible, I'm your guy! I am wonderful with children and ready to be their loyal sidekick. I do fantastic with other small dogs and larger, mellow dogs but I'm still working on my social skills with dogs of all energy levels and size. I've fought hard to heal, and now I'm just looking for a couch, a lap, and a family to call my own. I am fully vetted and ready to go, so please call 910-256-2624 or email carewilmington@yahoo.com to meet with me.

I am sponsored by Atlantic Animal Hospital who supports Coastal Animal Rescue Effort (CARE).

Please call 910-457-6340 to adopt us!

◄Hello! I'm **Bullet**, a classic Treeing Walker Coonhound mix boy with beautiful brown eyes. At just 4-years-old, I'm ready to bring my loyal and friendly nature home to a new household. I love to play with other dogs so, if you have one, please bring him or her to the shelter for a meet and greet with me! I'm neutered, up to date on vaccinations and microchipped, too. Won't you make a plan to drive on over? We just may fall in love. ♥

◄Hi, I'm **Sadie**, a pretty Chocolate Lab mix with a heart as sweet as my smile! I'm around 5-years-old, full of energy, and always ready for fun and adventure. I get along great with other dogs, walk nicely on a leash, and I'm learning my manners more every day! I've got lots of love, enthusiasm, and tail wags to share. Now all I need is a forever family to share them with! How about yours? ♥

►Are you looking for a handsome boy who is also loving and sweet? Here I am! My name is **Archie** and I'm a super-friendly orange and white cat, just 3-years of age. I'm neutered, up to date on vaccines and litterbox trained, of course! I am FIV positive but that does not hinder me one bit from living a long and healthy life! I'm looking forward to being an indoor-only cat who gets all the attention as the solo pet, or I'd be happy to live with another FIV positive kitty. You'd be so lucky to share a future with a wonderful boy like me! ♥

◄Hi, I'm **Natalie**! I was born on April 1, 2026, and I'm a sweet little Calico girl with lots of love to give. I adore people, am friendly to other cats, and I'd be so happy to have a family of my very own. I'm spayed, vaccinated, and litterbox-trained, so I'm all packed and ready to go! If you are looking for a friendly and affectionate girl to brighten your days, we could be the most purrfect match! ♥

◄Hi there, I'm **Daisy**, a 2-year-old Walker Hound girl with floppy ears, a beautiful smile, and a heart full of love! I arrived at the shelter with my doggie pal, Buddy (he's pictured next to me), and now I'm hoping to find a forever family of my very own. I'm just about the sweetest girl you'll ever meet, although I'm still polishing up my leash-walking skills and learning my best manners. I could stand to put on a few pounds, but I'm doing great and getting better every day! With a little patience, some yummy meals, and lots of love, I just know I'll blossom into the wonderful companion I was meant to be. Could you be the one to give this sweet Daisy a chance to bloom? ♥

◄Nice to meet you! I'm **Buddy**, a 2-year-old Walker Hound boy with soulful eyes, a gentle heart, and so much love just waiting to be shared! I arrived at the shelter with my doggie friend, Daisy (she's pictured next to me), and while I'm grateful to be safe, what I'd really love is a family to call my own. I'm still figuring out this big world and learning things like walking nicely on a leash, sitting, and being a well-mannered gentleman. All I need is someone with a kind heart, a gentle hand, and a little time to help me blossom into the wonderful companion I know I can be. Could you be my happily-ever-after? ♥

The Ruffian Foundation Desperately Needs Volunteer Assistance For Cats

The Ruffian Foundation is in urgent need of more volunteers to keep its feline sanctuary and shelter running. Without enough support, it is at risk of not being able to continue its operations - and the future of its cats is uncertain. These cats depend on Ruffian for safety, care, and love. Compassionate and dedicated individuals are needed to step up and make a difference. If you've ever thought about volunteering, now is the time. Whether you can give a few hours or more, your help truly matters. Contact Sharon at 910-262-8890 with any questions. The Ruffian Foundation is a 501c3 non-profit organization.

Meet Adoptables from Animal Ally Action Fund at Unleashed Southport

Everything in the store is priced to sell for HALF the price that you would expect to pay retail! The store is open Wednesdays, Thursdays, Fridays and Saturdays from 10am to 5pm. While at the store, choose your favorite football team bandanas. The shop carries a full line of all NFL and many college team bandanas. Holiday seasonal bandanas are available as well! Your dog will be decked out in style! While you're visiting the store, check out the back room. That's where you'll find all of the best Christmas decoration bargains! And for those with a little free time, volunteers are always welcome and appreciated. For more information or any questions, please send an email to info@montyshome.org or call 910-259-7911.

Drivers Needed For Furry Friends

RescueConnect is looking for transporters! Animals in their care need rides for a variety of reasons: to pick an animal up from a shelter where they have been pulled, to take them from foster homes to vet appointments, and to take them to partner groups for adoption. All you need is a secure vehicle and a desire to help! Drivers are needed that can help with both local transport and longer trips. To volunteer, visit www.rescueconnectnc.com, put your cursor on 'Volunteer' and click on 'Transport', or call 910-302-7290 for more information.

◄Hi there! I'm 25 pounds of pure adorableness named **Ladybug**, and I'm looking for a forever home where I can be the queen of the couch, snack connoisseur, and professional belly rub receiver. I'm a master of manipulation, too - these soulful brown eyes of mine can guilt-trip anyone into giving me endless belly rubs and kisses! Oh, I'm cool with other pups and cats, too! If you're ready for a lifetime of laughter and snuggles, call about me! ♥

►I'm **Dolly**, a 4-year-old Hound mix who is busy mastering 'place', 'touch', and 'down', as well as building on my existing skills in 'sit' and leash walking. With every step, I'm becoming more confident and ready to thrive in my new life. I'm discovering that the world is chock full of possibilities and that every day can be a joyful adventure. My enthusiasm for training sessions is contagious, and I'm thrilled to earn rewards for my efforts! Treats are my motivator, and I'm enjoying every minute of it. Let's meet soon and I'll show you all I'm learning! ♥

►My name is **Arlo** and I'm a 1-year-old mixed-breed boy! I love life and would enjoy a home with a fenced yard so that I can do my zoomies. I'm good with older kids, I think you call them teenagers, and I play well with other pups. I'd do best in a feline-free home, and would be happy with a doggie sister but I'd also be fine as the only furry one in the household. I'm currently getting some training so that I better learn my manners and I love it because I enjoy learning. I hope that soon we'll meet! ♥

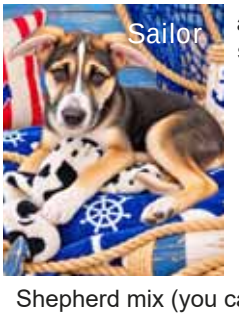

◄I'm **Jada**, the pup with a permanent smile! At 2-years-old, I'm a social butterfly who loves people, snuggles, and being the life of the party! I'm living my best life in a foster home with 4 furry friends and learning to be a great pet! I'm an active gal who loves to play tug-of-war, chase balls, and get my paws wet! Oh, and bath time? I'm the first one in the tub! I LOVE swimming sooo, if you're looking for a friend to do splash time with..that's ME! I'm house-trained, know my basic commands (sit, stay, shake, and sometimes roll over - I'm still working on that one), and I'm eager to please. I've got tons of potential and would love to find a person who's familiar with my breed. Won't you come meet me? ♥

◄We are adorable, beautiful, fun-to-be-around pups awaiting our foster-to-adopt homes! Collectively known as the 'Ocean's 9' puppies, four others in our litter are already spoken for, but we five are still available! Born on July 17, 2026, our Mama is a Husky and Shepherd mix (you can see her picture on page 28). We're not sure who our papa (or papas) was. We are the sweetest, cutest, funniest sidekicks you could ever hope to have! Jetty and Cove are girls, while the rest of us are boys. Please call or email Freedom Bridge and let's set up a day to meet! ♥

Hi! I'm **Fletcher**, an adorable 5-month-old puppy boy and I'm ready to steal your heart! I am not only sweet and playful, but full of happy puppy energy. I'm hoping for someone who will see past my first shy hello, choose me, and promise I'll never have to wonder where I belong again. Could that be you? I am neutered, up to date on my puppy vaccinations and ready to join your family! If you can't adopt me, please tell others about me - you could be the one who helps me find a home. Please call or text Silvia with A Shelter Friend at 910-876-0539 to learn more about me or to arrange a meet-and-greet!

Hi there! I'm **Betty White** (on the left), and the lovely girl snuggled up beside me is my sister, **Ruby Rose**. We may not be sisters by birth, but as far as we're concerned, we're family! Ruby and I have been together since we were just tiny kittens, and now, at about 4-years-old, we're still the best of friends. We've grown up side by side, shared countless naps and cuddles, and we'd really love to spend the rest of our lives together, too. I'm the more outgoing one of our little duo, while Ruby likes to take her time getting to know new people. But once she decides you're a friend, watch out - there's a serious snuggle bug hiding underneath that shy exterior! And when you have BOTH of us feeling comfortable and affectionate? Well, that's twice the purrs, twice the cuddles and twice the love. We think we make a pretty irresistible pair. Just look at us - we even know how to squeeze ourselves into the same cozy bed! We are both spayed, vaccinated and litterbox-trained, and we're ready to trade our shelter bed for a comfy spot in a home of our very own. So, what do you say? Is there room in your heart and home for two sweet sisters who already know they belong together? Please visit us at Southport Oak Island Animal Rescue (SOAR). Adoption hours are from 8am to Noon on Monday, Tuesday, Wednesday, Friday and Saturday. The shelter is closed on Thursday and Sunday. If you have any questions, please call my friends at 910-457-6340.

We are sponsored by SOAR in loving memory of all their wonderful, furry friends who made it safely to the Rainbow Bridge.
