PawPrints Magazine's Homeless Cover Model

Hi, friends!
I'm **Maple**,
an athletic,
people-focused
girl who loves
being included
in whatever my
person is doing.
At 6-years-old,
I'm a Lab mix
who is playful
and fun (tug-of-
war is my fave),
I enjoy being
outside, and I
walk great on a
leash. I love belly
rubs and back
scratches, and

Photo by: The Photo District

while I'm not overly clingy, I'm happy to cuddle
when you want me to. I'm easy-going in the house,
great in the car, love toys and I have a zest for life!
My story may have started out sad BUT that's in
the past and now I'm enjoying life to its fullest! I
won't let my past dictate my future, so bring on
the fun and I will give you my amazing smile and
you'll see the twinkle in my amber eyes!

I would love a fenced yard BUT I'm ok if you don't
have one and we can go for walks. I do enjoy
well-mannered furry friends (pups) who like to
play hard...for a little while at least!

Don't I sound like a loveable new family member for
you? To meet me, call **Freedom Bridge Animal
Rescue, NC** at **843-614-0231** or send an email to

Hello there! I'm a 4-year-old Pit Bull boy named **Pete** (AF163180) and I'm as handsome as can be! I couldn't accompany my family on a move, so I'm here at the shelter waiting for a new family to love. If you like them big and bold, outgoing and upbeat, you just have to spend some time with me! Let's get together at Brunswick County Sheriff's Animal Protective Services. It's open from 10am to 5pm Monday through Friday and on Saturday from 10am to 2pm. If you have questions, my shelter friends can help. Just give them a call at 910-253-1738.

Ash

Hi, I'm **Ash**, a 4½-month-old little black panther with sleek fur, bright eyes and a sweet personality. I can be a little shy when we first meet, but give me a little

Penny

time to know you and you'll discover my secret - I'm actually a big cuddle bug in a tiny kitten body! And that adorable sleepy girl you see curled up in her cozy bed? That's my little friend **Penny**. She's 3½-months-old and is a beautiful dilute Calico with the

cutest little peach-colored markings. Penny can be a little shy at first, too, but she absolutely loves other kitties, so having a feline friend around makes her very happy. When Penny isn't busy demonstrating her expert napping skills, the two of us have plenty of kitten energy! We're playful girls who especially love toys on strings. Dangle one in front of us and suddenly we have important kitten business to attend to! Penny and I think we'd make pretty wonderful pals for life, so if you happen to have room in your heart and home for two sweet girls, we'd love to grow up together. But we understand that sometimes there's only room for one, and we can be adopted separately, too. We're both spayed, vaccinated and litterbox-trained, so all that's missing is a home to call our own. Whether you fall for a little black panther who turns into a cuddle bug or a darling dilute calico who loves kitty companionship - or maybe you fall for both of us - we hope you'll call Sharon from The Ruffian Foundation at 910-262-8890 to set up a meeting!

We are sponsored by Tony and Peggy Durso. Thanks!

My name is **Arlo** (but maybe I should be Radar...look at my ears!) I was adopted as a puppy but unfortunately, through no fault of my own, life took a downward turn for my family. They love me very much and want me to continue having an amazing life with a new family. I'm sad, but I know I will find people who will love me as much as they do! I'm a 1-year-old mixed-breed and I'm a pretty big boy! I love life and

would enjoy a home with a fenced yard so that I can do my zoomies. I'm good with older kids, I think you call them teenagers, and I play well with other pups. I'd do best in a feline-free home, and would be happy with a doggie sister but I'd also be fine as the only furry one in the household. I'm currently getting some training so that I get better with manners and I LOVE it because I enjoy learning! To meet, call Freedom Bridge Animal Rescue NC at 843-614-0231 or email freedombridgeanimalrescuenc@gmail.com.

I am sponsored by Sara and Cody Harts of Otter Flow Water Systems. Thank you!

Hello there, friends! My name is **Lizzie**. At 10-months-old, I'm a brown Tabby girl who is bright and bouncy! With my warm stripes and curious eyes, I'm a little ray of sunshine who brings energy and happiness everywhere I go. I'm always the first to discover new toys, the quickest to pounce on a moving feather,

and the star of every kitten zoomie session. Once I'm done exploring, I love to curl up close, purring myself into the softest little ball. I am good with other cats and friendly dogs, and I'm already spayed, vaccinated and litterbox-trained. If you're looking for a sweet, spirited, adorable kitten, hop in the car and come meet me at Pender County Humane Society! And if you have any questions, please give my friends a call at 910-259-7022.

I am sponsored by the Furry Friends Re-sale Shop in honor and memory of all the animals who've passed through the doors of Pender County Humane Society.

THE RUFFIAN FOUNDATION

My name is **Marvin** and I'm a really nice Orange Tabby boy.

At 5-years of age, I'm neutered, litter-box-trained, up to date on vaccines and I enjoy other cats' company. I lost my home when

I was found to be positive for FIV. It made me so sad because I'm healthy and adore people. I'm now waiting for a home with folks who will love me. Is that you? Call 910-262-8890 today, please. ♥

A SHELTER FRIEND

Five years is a long time to wait for a family. My name is **Ellie** and I have been waiting patiently for someone to realize I'm the dog they didn't know they needed. I am a beautiful senior girl, over 7-years-old, with the calm confidence of a true Southern lady. I am loyal, affectionate, and happiest when I can be someone's whole heart. I don't need a big yard but a bit of exercise might be good for me - I have been described as pleasingly plump. I'm

spayed, vaccinated and ready to move in. Maybe you didn't know you needed me yet - but I've been waiting for you. Call/text Silvia at 910-876-0539 to learn more about me. ♥

RESCUECONNECT

Hi, I'm a beautiful girl named **Keiko**! At 5-years of age I'm a big bundle of love, energy, and playfulness. I was adopted as a kitten and lived in a loving home with a cat sibling. Sadly, my adopters became homeless and had to move. I'm now in a foster home and

while it took some time for me to adjust, it wasn't long before my sweet and playful side began to appear. I started chirping at my toys, enjoying catnip pawties, and finding that sometimes, life changes are ok. I am spayed, vaccinated, litterbox-trained and in great health. Apply for my adoption at www.rescueconnectnc.com. You can also send an email to rescueconnectnc@gmail.com or call 910-302-7290 and one of my pals will get back to you. ♥

OPERATION TOPCAT

I'm **Vienna**, a beautiful orange girl with a sweet side that comes out once

I feel safe! I love my humans, whether I'm getting pets, playing with feather toys, or simply keeping you company. I can share my kingdom with other animals as long as they respect my personal space, but people are definitely my favorite. Give me a little time to settle in, and I'll

reward you with plenty of love, personality, and just the right amount of royal attitude. My vet care is complete and I'm ready to go home with my new family! Call 910-545-9885 or email otopcatnc@gmail.com for more info. You can also apply for my adoption at www.operationtopcatnc.org. ♥

UNFORGOTTEN SOULS RESCUE

Hi, I'm **Sasha**, the Sweet Potato with legs, and I'm looking for my forever home! My foster mom says I am about 2-years-old, 50 pounds of pure snuggle potential, and I come fully upgraded: spayed, microchipped, vaccinated, on preventatives, and I even finished my heartworm treatment with flying colors. I have a sad

story behind me, but I know it won't keep me from finding a family to love forever. After my family moved, they left me at the overcrowded shelter where a kind volunteer saw me and knew she had to save me! Now I am in foster care waiting for my forever home. Why is my nickname sweet potato with legs? Because I'm so cute. And sweet.

And who doesn't love a sweet potato?? I passed my shelter dog test with flying colors and have been a very good girl with doggie friends who are down to play.

Overall, I'm sweet, silly, loving and ready to start fresh with a family who wants a loyal sidekick with a wiggly butt and a heart the size of a watermelon. Please apply for my adoption at www.theunforgottensouls.com/adopt, or send an email to theunforgottensouls@gmail.com. You can also find more of my photos on our Instagram and Facebook social media pages: www.instagram.com/unforgottensoulsrescue and www.facebook.com/unforgottensoulsrescue. ♥

ONSLOW COUNTY ANIMAL SERVICES

I'm **Penny**, a sweet, nearly 6-year-old Pit Bull mix girl who is ready to soak up all the attention I can get from my new family! I'm a very affectionate girl who loves being close to my people, whether that's curling up on the bed or

having an outdoor adventure together! I'm a smart girl who already knows some commands, I'm crate-trained, house-trained, microchipped, and spayed! I am treat-motivated and love learning with my people. I enjoy spending time outdoors and would love a home where I can explore and enjoy the fresh air. I've lived with other dogs and would do best with a canine friend who matches my play style. I truly have so much love to give, so if you're looking for a sweet, devoted companion who will be your shadow and snuggle buddy, I may be the perfect match! Please call 910-937-1164 or 910-455-0182 with any questions or for information. ♥

FRIENDS OF FELINES

Hi, friends! I'm **Leo**, a handsome buff-and-white kitten boy, and if there's fun happening somewhere, you can pretty much count on me being right in the middle of it!

My foster family calls me the life of the party, and I'd say that sounds about right. I'm affectionate,

curious, active, and I come equipped with a wonderfully loud purr. I was the first of my littermates to be rescued because I've been brave and curious from the very beginning. My foster family thinks I'm going to grow into a very active and adventurous cat, so I'm dreaming of a home that appreciates my zest for life. Cat towers to climb would be amazing, and I'd love a window or catio where I can watch the world go by. Most of all, I'd enjoy having a human or feline friend who likes to play as much as I do. I'm even getting used to the dogs in my foster home, so the right doggie friend might be great, too! Apply for me at www.friendsofelines.org/adopt and click on the Adoption Application tab on the lower right corner. You can also email friendsofelines@aol.com or call 910-232-7741. ♥

COASTAL ANIMAL RESCUE EFFORT

I'm **Slim Jim**, a 3-year-old neutered male Hound mix with a heart full of love and energy! I'm always ready for fun - walks, playtime, adventures, you name it. I'm a happy, social pup who gets along great with other dogs and I'd love a furry friend to hang out with. If you're looking for a loyal adventure buddy and snuggle partner, I'm your guy! To meet me, please email carewilmington@yahoo.com or call 910-256-2624. ♥

CAROLINA BOXER RESCUE

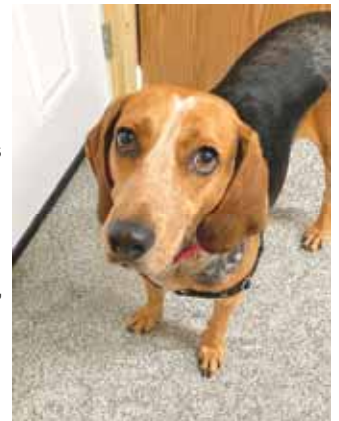

Hi, my name is **Neva**! At just 9-months-old, I'm ready to find the loving forever home I deserve. I was once completely shut down and unsure of the world around me, but I'm slowly learning that people can be kind and life can be fun. My friends say it's been incredible watching my confidence grow! I love playing with my dog and cat friends and I do well with older, respectful, calm children

who understand that trust takes time. I'm looking for a patient, loving family who will let me move at my own pace and see beyond my quirks to the amazing dog I truly am. Call 910-799-5638, email carolinaboxer@gmail.com, or visit www.carlinaboxerrescue.org to apply for my adoption. ♥

PAWSITIVE PARTNERS PRISON PROGRAM

Hi out there, it's me again, **Yankee**. I look sad because I am still looking for my forever home. I'm just over 3-years-old and love other dogs and people. I do like to chase cats so it might be better if you don't have one. I've finished my 8 weeks of training at Monty's Home and come with my own crate, harness, leash, toys and bed. In addition, I'm already microchipped, neutered and vaccinated. Oh, did I mention I love people? Please give me a chance. Fill

out an application at www.montyshome.org or call Barb at 910-259-7911 for more information and to meet me. ♥

I'm calling on the Frosty Muzzle Lovers Club to spread the word that I'm looking for a new home! My name is **Liberty** (AF13768) and I'm a 7-year-old girl who lost my family when they moved away and couldn't take me along. Despite this, I'm a sweet, smiley pup with a wonderful spirit. I love people and treats, and I have the happy Lab-type wiggle where my whole body dances with excitement! I love to go on walks and when I look up

at you with my beautiful brown eyes, it just makes you melt!

I know simple commands and respond well to training, especially if there are treats involved! I'm ready to play and cuddle with my new family, so I hope you'll visit me soon at Brunswick County Sheriff's Animal Protective Services. It's open from 10am to 5pm Monday through Friday and on Saturday from 10am to 2pm. If you have questions, please call my shelter friends at 910-253-1738. Oh, If you have another pup, bring him or her with you for a supervised meet and greet to make sure we have "chemistry".

I am sponsored by Pawville. Thank you!

Hi! We're a pair of gentle, goofy lovebugs who have one very important request: Can we go home together? We've formed an incredibly special bond at the shelter. We play together, chase the water together, splash in the pool together... basically, wherever one of us goes, the other is never far behind! We

come fully vetted and our shelter friends do ask that we be indoor dogs and true members of the family. We're a boy and girl - that's me, the girl, on the right. I'm 10-months-old and my friend is 2-years-old. Our ID numbers are **A519007** and **A519009**. Meet us at the New Hanover Sheriff's Office Animal Services Unit. Adoption hours are Monday through Friday from 11am to 3:30pm and on Saturday from 8am to 11:30am. For more info, call 910-798-7500.

▲I'm **Moose**, a 4-year-old Treeing Walker Coonhound mix. I'd love a fenced yard and a friend to play with!

Bullet, also pictured, is my best buddy. We're not bonded and can be adopted separately, but if you'd like to give a sweet duo a home we would be so happy! I am neutered, vaccinated and ready to be your newest family member. Come on over and get to know me! ♥

◀Are you looking for a handsome boy who is also loving and sweet?

Well, here I am! My name is **Archie** and I'm a super-friendly orange and white boy, just 3-years of age. I'm neutered, up to date on vaccines and litter-box trained, of course! I am FIV positive but that does not hinder me one bit from living a long and healthy life! I just need to be an indoor-only cat in

a single-kitty household or I'd be happy to live with another FIV positive kitty. You'd be so lucky to share a future with me! ♥

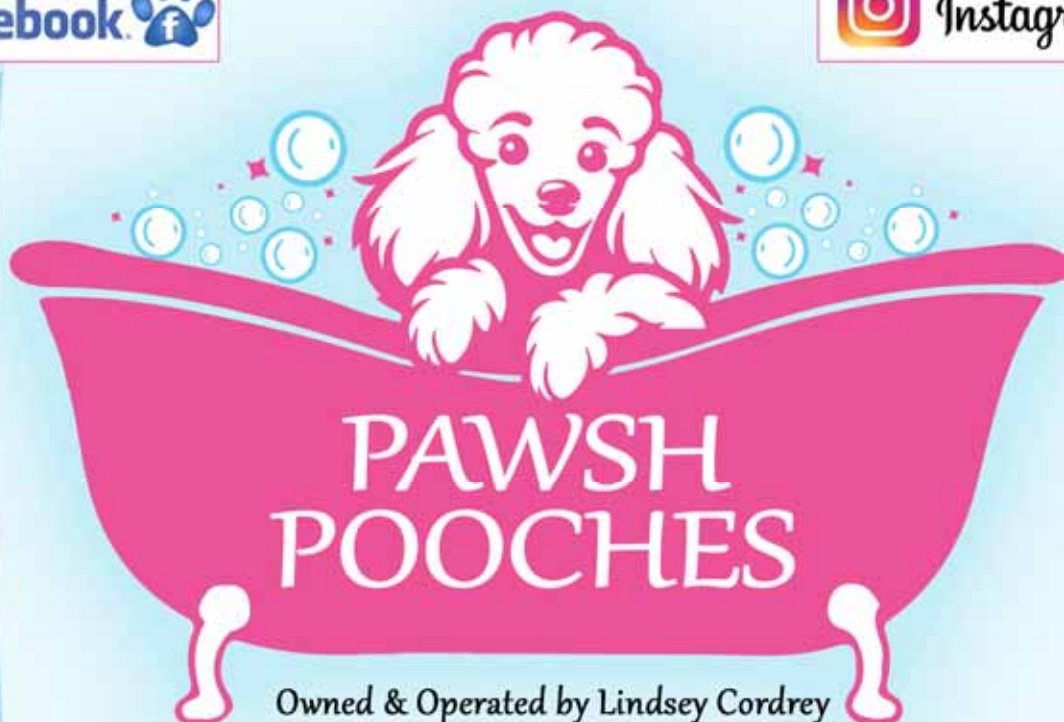

◀I'm **Bullet**, a classic Treeing Walker Coonhound mix boy with beautiful brown eyes. At just 4-years-old, I'm ready to bring my loyal and friendly nature home to a new household. ◀ My name is **Bonnie** and I'm the kind of dog who doesn't just want to be part of your family - I want to be your shadow. If I could chart a course straight into your lap, I absolutely would! At 1-year-old, I'm a Hound mix girl who is crate-trained, mostly house-trained, good with dogs and cats, treat motivated and eager to learn. I already know 'sit'! I would do great with kids 5-years and older who have respectful dog manners. And oh, did I mention I love toys? I'm a great size at just under 40 pounds, too. Let's meet! ♥

▶ I'm **Zoe**, a sweet, playful, 4-month-old puppy girl (just under 25 pounds) who loves being close to my people. I've quickly earned the title of professional little shadow! A Hound mix, I'm curious, affectionate, and I love exploring new places followed by some well-earned snuggle time. I'm great in the car, good in the crate, and I'm working on my house and leash skills like the smart little pup I am. I'm equal parts puppy zoomies and cuddles and I'm ready to grow up with you! ♥

Photo by The Photo District

▶ I'm **Rudie**, a 4-year-old, 53-pound sweet, affectionate boy who loves being with my people. I'm dog friendly and would especially love a canine sibling to share my days with, though a home with a flexible schedule would also be a great fit. I'm happiest when I have companionship, a yard to explore, and lots of love from my humans.

Photo by The Photo District

I'm a loveable, loyal Treeing Walker Coonhound and I'm ready to find my forever family. Could that be you? ♥

▶ I'm **Scout**, a 1-year-old, 38-pound Border Collie boy who is smart and playful. I love my people and I'm always ready for a game of fetch! I'm crate-trained, ride great in the car, have good leash skills, and thrive with structure and routine. I've completed training with EZK9 and Golden Compass, and both trainers are committed to continuing to support my success. I'm looking for a home where I can be the only dog, with respectful kids 12 and older, and a family ready to give me the forever home I deserve. ♥

▶ Hi friends, I'm **Tater Tot!** At 5-years-old and nearly 70-pounds, I'm a Lab mix boy who is sweet, easy-going and the perfect mix of adventure buddy and couch potato. I love swimming, fetch, hiking, and walks, but I'm just as happy curling up with my people and pretending I'm a lap dog. I am affectionate, loyal, goofy, and full of personality. I am house-trained, leash-trained, great in public, excellent in the car and have lived peacefully with both dogs and cats. I've also worked with trainer EZK9 on mealtime resource guarding and have made great progress. My adopter can also attend monthly EZK9 alumni sessions with me to continue reinforcing all that I've learned. Could I be your perfect first mate? ♥

◀ Hello! I'm **Lily**, a 5-month-old, 31 pound sweetheart with a very easygoing and affectionate personality. I'm house-trained, I do well in my crate, I sleep through the night, and I'm working on leash skills and basic commands. I love every single person and dog I meet, I'm cat friendly, and I'd do well with respectful children. I'm fantastic out and about - breweries, coffee shops, parks, the beach - and I'm an excellent car rider. I have a great medium-energy level and am just as happy joining you for an adventure as I am playing with my toys or curling up at home. Let's meet! ♥

As summer winds down, make room for one more sweet adventure with me, **Mayonnaise!** At 2-years-old, I'm a 65-pound Great Pyrenees boy who loves attention, treats, toys, and making people smile. I already know "sit" and "lay" and I'm eager to keep learning. I'm

still working on my leash manners and I do best with some extra space during mealtime. Because of my size and enthusiasm, I'm looking for a home with children 16 and older. If you haven't been around any big, fluffy, loveable goof balls lately, I suggest you hightail it over to Paws Place for a fun and entertaining encounter with me! Who knows, we may fall in love and be perfect pals for some future Fall adventures. The shelter is open Tuesday through Saturday from 10am to 2pm and there is no appointment needed. Call 910-845-7297 or email info@pawsplace.org with any questions.

Hi, I'm **Mina!** I'm a sweet 3-year-old girl looking for a loving new home to call my own. I can be a little shy when I first meet someone - but give me a little time and space to adjust, and maybe a tasty treat or two, and you'll soon see my friendly and affectionate personality shine! Did I mention I'm very food-motivated? Treats are definitely one of the quickest ways to my heart! I also love to play and enjoy finding the highest spot I can. At my foster home, I love sitting "high in the sky" on the bunk bed, where I can keep an eye on everything below like the queen I am! I get along with older children and other cats, and I don't mind sharing my space with a dog. I have always been very loved, but sadly, feline allergies mean I now need to find a new family who will love me just as much. I'm spayed, vaccinated, microchipped, litterbox-trained, and on flea prevention, so I'm all ready to start my next adventure! If you're looking for a sweet girl with a playful spirit and lots of love to give, I could be just the one for you! I'm more than ready to trade my favorite high perch for a forever place in your heart. To meet me, send an email to info@all4cats.org or call All 4 Cats at 910-707-4372.

Hi! I'm **Sulu**, a very handsome 1-year-old English Foxhound mix boy with a sweet soul, a wagging tail and plenty of playful energy! I'm a treat-motivated pup who loves learning tricks, exploring the outdoors, and making new friends. After a fun day of adventure, I'm more than happy to settle in with my humans for snuggles. I'm dog

selective, so proper meet-and-greets are important.

I'll be your best buddy, always ready for our next escapade! Let's meet at Paws Place. They're open Tuesday through Saturday from 10am to 2pm. No appointment is necessary! Please call 910-845-7297 or email info@pawsplace.org with questions.

I am sponsored by Pawville. Thank you!

Hi, I'm **Baby Bear**, and I may be tiny, but I'm one mighty little girl! I came into rescue weighing just 7 ounces and needing lots of help, but with plenty of love and care, I fought my way back and learned just how wonderful life can be. My sister Sasha - also known as Big Bear - was right there beside me, and we've been snuggling, playing

and growing stronger together ever since. I'm a playful, curious little cuddle bug who loves laps, attention and wrestling with kittens bigger than me. When playtime is over, you can bet I'll be looking for a cozy spot to curl up with you. I also happen to have a gorgeous long-haired smoky black coat that should become even more beautiful as I grow! I would really love to be adopted with my sister Sasha, because after everything we've been through, there's nothing sweeter than getting our happily-ever-after together. Please apply for us on the website at www.friendsofelines.org/adopt and click on the Adoption Application tab on the lower right corner.

You can also email friendsofelines@aol.com or call our pals at 910-232-7741 with any questions.

I am sponsored by Danny and Lisa Merritt in memory of all their fur babies waiting at the Rainbow Bridge.

◀Hi, I'm a 7-month-old Basenji girl, already spayed, and my ID number is **A522839**. I came to the shelter as a stray hoping my new forever family would find me. I can be a bit shy at our first meeting, but give me a little time and my sweet, bubbly personality starts to shine! I've been a quiet and well-behaved girl here, and I take very good care of my blankets and toys - no chewing them up for me. I'm still just a youngster with so much love and life ahead of me, and I'd love to spend it growing up with a family like yours! ♥

◀Hi there! I'm a handsome Beagle mix boy who's about 2-years-old and ready to sniff out my forever home! I came to the shelter as a stray, and sadly, no one ever came looking for me - but I'm hoping someone special will come looking for me now. I'm an active, friendly guy who loves to have fun, and since I'm motivated by both treats and toys, training together could be a great way for us to bond! I'm already neutered, fully vetted, and microchipped, so all I'm

missing is a loving home of my own! My ID # is **A521502**. ♥

◀Hi! I'm a happy, playful Pit Bull mix boy who's about 7-months-old. I came to the shelter in mid-July, and everyone is surprised that no one came looking for me since I'm such an outgoing pup with a tail that never seems to stop wagging. I'm a typical fun-loving

fellow who adores toys, treats, and everyone I meet. I'm neutered, full of happiness, and hoping the next person who comes looking for me will be the one who takes me home.

Be sure to ask for me - my ID number is **A522348**. ♥

◀I'm a sweet and friendly American Bulldog boy (**A521695**), 3 to 5-years-old, with lots of love - and plenty of playful energy - to share! I came to the shelter as a stray, and now I'm hoping my next stop will be a forever home where I can finally belong. I'm still working on my manners and will need someone willing to continue my training, but bring out the treats and I'll happily show you that I already know how to sit! Come see me - I'm a Love Bug! ♥

▶I'm **Short Stuff** (**A521518**), a pocket princess who's an absolute doll. I never stop smiling, and I'm equal parts spunky and sweet. I come peanut sized at 37 pounds and I'm ready to fit in with a family of my own. At 3-years-old and already spayed, the only thing I need is for you to come walking toward my kennel door! ♥

◀Hi, I'm **Stormie** (**A513961**)! I'm a 10-month-old girl who first came to the shelter as a tiny puppy, and although I thought I had found my forever home, I sadly found myself without a family again. I'm still just a puppy at heart - active, playful, and always ready for fun with my favorite toys! I absolutely love people, and when playtime is over, there's nothing better than snuggling. I'm spayed and ready for

a family who will give me the training, patience, and love I need to become the very best girl I can be. Most of all, I'm wishing for a true forever family - one who will love me, believe in me, and never give up on me. ♥

180 Division Dr. Wilmington, NC 28401 www.facebook.com/NHSOAnimalServices

Hi, I'm **Shorty Girl**, and if you're looking for a best friend who will love you with her whole heart, I think we should meet! I'm a sweet and gentle girl who absolutely adores people, and I'm happiest right by your side - preferably close enough to sneak in a few kisses. I'm also house-trained, spayed, vaccinated, and good with children, so I have lots of important things checked off my "ready for a family" list! I do need a fenced-in yard and a home with no cats, and we're not quite sure yet how I

feel about other dogs. What I do know is that I have an enormous amount of love saved up for my special person or family. Just look at my big smile - can't you picture coming home to this happy face every day? I'm loving, loyal, affectionate, and more than ready to become your devoted shadow and favorite snuggle buddy. Let's meet at the New Hanover Humane Society. Adoption hours are Monday through Friday from 10am to 2pm and you can also call 910-763-6692 with any questions.

I am sponsored by Jackie Houser of Houser Injury Law because she can't adopt us all!

Hi, I'm **Matti**! I may look like the cutest little moo-cow, but I promise you, I'm actually the cutest pup you'll ever meet! I'm about 2-years-old, and everyone says I'm the sweetest little gal. I'm house-trained, crate-trained, dog-friendly, and a social sweetheart. Plus, I love playing just as much as I love cuddling up next to my hooman! I promise I'm normal, but I also have a very special walk. I call it my run-way walk that

I personally think I've perfected and gives me some fun flare. My foster mom laughs every time I do it. And just check out my head-tilt! Overall, I'm gentle, cuddly, silly, and ready for a family who wants a dog that looks like a cow, walks like a runway model, and loves with her whole heart. So if you've been waiting for a one-of-a-kind bestie, please reach out to my friends at Unforgotten Souls Rescue. Apply at www.theunforgottensouls.com/adopt, or send an email to theunforgottensouls@gmail.com.

▲ Hi, I'm **Charles**, and I'm 2-years-old and about 50 pounds of sweetness, loyalty, and hope. My life hasn't always been easy, but I'm ready for a fresh start - and I'm hoping it might be with you. I'll admit, I can be shy when I first meet someone. But once I trust you, something wonderful happens. That shy boy begins to disappear, and you'll discover a devoted companion who wants nothing more than to be close to the people he loves. One thing that really helps me come out of my shell is having another dog around. I absolutely love other dogs. I'm also crate-trained and house-trained, neutered, up to date on my vaccines, and heartworm negative. I just need someone who will give me the time to realize that I'm finally home. Give me that chance, and I'll give you my entire heart in return. ♥

Photo by The Photo District

◀ Hi, I'm **Callie**, and I've been waiting for my forever home for over two years. I'm not sure why it's taking so long, because everyone here says I'm an absolute doll baby! I've been such a good girl during my long stay, but more than anything, I'm ready to trade kennel life for a home and family of my very own. I'm 3-years-old, a Pit Bull mix, and one of my favorite things in the whole world is giving kisses. My dream home would be with an active family who will include

me in their adventures and give me plenty of time to play. I LOVE playing ball, and when playtime is over, you can often find me stretched out in the backyard soaking up the sunshine. I do well with other dogs around my own size, but I'll need a cat-free home. Those little furry creatures are just too tempting to chase! I'm already spayed, heartworm negative, up to date on my vaccines, microchipped, dewormed, and on flea prevention. In other words, I'm all ready for the most important part of my journey - the day someone finally says, "Callie, you're coming home." ♥

◀ Hi there! My name is **Randy** and I'm a 2-year-old Border Terrier with a sweet soul, a gentle heart, and plenty of curiosity about the world around me. I'm the kind of little guy who just loves being with my people. Whether we're exploring the backyard, wandering around the house together, or heading out to see what adventures the day might bring, I'm happiest when I have someone special by my side.

I'm affectionate without being demanding and have an easygoing personality that makes me pretty wonderful company. After a little exploring, I'm perfectly content to settle in with you for a quiet evening. I'm house-trained, crate-trained and fully vetted, so I've got a great head start on being a very good boy in my new home. ♥

► Hi, I'm **Angel**, and I'm 5-years-old! If you're looking for a Chihuahua girl who's equal parts playful, affectionate, and perfectly happy just being by your side, I think we might be meant for each other. I love playing with my toys and spending time outside, especially when there are things to explore and sniff! But once the adventures are over,

I'm just as happy curling up beside you for some quality cuddle time. Give me a cozy spot next to you, and I'll be one very content girl. I'm not the kind of dog who needs to be the center of attention. I just want to be the center of your world. And in case you're wondering, I've got quite the résumé! I'm spayed, up to date on my vaccines, heartworm negative, microchipped, and on monthly flea, tick, and heartworm prevention. I also get along well with other dogs and have done well with cats, too! I'm ready for the best part of my story - finding a family of my very own. Someone to play with, cuddle with, explore with, and most of all, love forever. ♥

▲ So nice to meet you, my name is **Andy**! I am a 1 to 2-year-old white kitty with the MOST UNIQUE markings. Look at my nose. It looks like I got into a skirmish with an old fashioned ink pen. I do great with cats, dogs and, more than likely, kids. I am easy-going, I go with the flow, and I settle in quickly. I am just a great cat. You should call to meet me. I am affectionate, love to be cozy and pampered. I was a stray outside someone's house and tried to get them to adopt me, but they have some dogs that don't really like cats. That is why I'm now in foster care looking for a loving family. I'll be such a wonderful companion! Please call Jill at 910-620-3783 and let's meet soon. ♥

◀ Well, hello there, my name is **Archie**! I am a 6-year-old orange and white tuxedo boy. At one point in my life, I was a stray and went through a trap, neuter, return program for feral cats. We know this because my left ear is tipped. Someone probably chucked me out at a feral colony. It's hard for a friendly cat like me to try to figure out the pecking order and I was bullied. People soon realized I was friendly and someone found me a home. That lasted a few years, but I ended up at the shelter. What a

STORY! They say I do fine with kids, but might prefer to be an only pet. That experience at the feral cat colony probably scarred me. That's ok - there's lots of people who just want one pet, right? I am super friendly, well behaved and love people. I have a wonderful personality. Please call Jill Jones at 910-620-3783 to meet me. ♥

◀ **SENIOR ALERT!** I'm **Bailey**, a 10-year-old fella who does well with nice cats and older kids, but I am not fond of dogs. I would LOVE to be your only pet. I am a sweetheart who loves the finer things in life like canned food, predictability, and some nice tv on a couch. I showed up at someone's house

during the snowstorm and tried my best to adopt that family, but their cats didn't like me. I am neutered, vaccinated, microchipped, negative for FIV and FeLV and ready for a nice home. I do have the beginning stages of kidney disease and I eat special prescription KD Food. I will need a patient person to adopt me because I do not transition well and you need to give me several days to weeks to adjust. Call Jill at 910-620-3783 to meet me. ♥

► **LITTLE DOG ALERT!** I'm a 2-year-old girl named **Lulu** and I was owner surrendered to a local shelter from a very unstable home. Due to these circumstances, I'm a little skittish and untrusting. I am sure with time in a loving home I will quickly change. I am a Chihuahua mix and I weigh between 10-20 pounds. I am house-trained and crate-trained. I love to snuggle under blankets and chill. I also like chew toys and am very playful with other dogs of all sizes. I like toys and am obviously used to entertaining myself. To meet, call Jill at 910-620-3783. ♥

► I'm **Smallsy**, a 1-year-old Tabby with gorgeous emerald green eyes. Look at my cute white socks and white bib. I am a friendly guy who tried to adopt a family, but they couldn't keep me. DARN! Can you adopt me? I do well with cats, and I could tolerate a very calm dog if you went slow. I love to sit next to you on the couch. BEST COMPANION! I am so affectionate and even playful at times. To meet, call Jill at 910-620-3783. ♥

Hi there! My name is **Taryn** and I'm a 2-year-old, 50-pound bundle of joy. I'm the kind of dog who wakes up happy, goes to bed happy, and spends the whole day spreading happiness, like glitter. You won't be able to shake off your joy once you meet me! I love people, I love dogs, and I love, well, love. I'm just a lovely kinda gal. I'm silly, friendly, and

always ready for a cuddle or a play session. Whether you want a walking buddy, a snuggle buddy, or a bestest buddy, I'm your girl. Also, I'm a total cutie with the two best eye patches you've ever seen! If you're ready for a dog who will brighten every single day, come meet me. I can't wait to love you. Oh, and I'm fully vetted, spayed, up to date on vaccines, and chipped, too. My pals at Unforgotten Souls Rescue can tell you more...apply at www.theunforgottensouls.com/adopt, or send an email to theunforgottensouls@gmail.com. You can also find more of my photos on our Instagram and Facebook social media pages. I'd love to meet you soon!

Hello, my name is **Jerika**! I'm a lovely 6-year-old girl looking for my forever, indoor-only home. I'm a sweet, easy-going kitty with a bit of a diva personality! I love being perched up high on a cat tree, and I love a window with sunlight to lay in. I enjoy using cardboard scratchers and playing with plush catnip toys. I get along well with

laid-back dogs and passive cats who respect my space (with a proper introduction), but I'd be purrfectly happy as your one and only also! I really enjoy being brushed and getting attention. I spent a long time in foster care and I'm ready to find my forever home! I'm spayed, vaccinated and litterbox-trained. For more info, call Operation Top Cat at 910-545-9885 or email otopcatnc@gmail.com. You can apply for my adoption at www.operationtopcatnc.org.

If you're looking for a lap cat (who is totally chill unless it's to play with other cats), I'm your gal! My name is **Fiona** and the first thing everyone notices about me is how adorably I look up at the people I love. My previous foster parents were a retired couple and I was obsessed with them, but I missed having

cat buddies! I'm quite playful and enjoy romping around like a kitten, though I'm around 1 to 2-years-old now. At my current foster home, I love both older cats and younger kittens alike. I love to groom the little ones and probably see myself as their mentor-in-mischief. I would love to be a companion to your current cat, or join your home at the same time as another cat friend! ADOPT a Shelter Dog!

My name is
Shiloh
(AF15812)!

Do you like your dogs huggable and easy to love? Well, here I am! At 11-years-old, I'm a Beagle mix boy who enjoys slow walks and the company of a friend, human or dog.

I hope you'll visit me at **Brunswick County Sheriff's Animal Protective Services**. You can also call **910-253-1738** for answers to any questions.

My ID
Number is
A522616!

At 7-years-old, I'm a laid-back hugger who just needs someone to cuddle with! No one can believe a great girl like me was found as a stray. I'm the kind of loving pup that people yearn for! Please come get to know me at **New Hanover Sheriff's Office Animal Services Unit** and please call **910-798-7500** with questions.

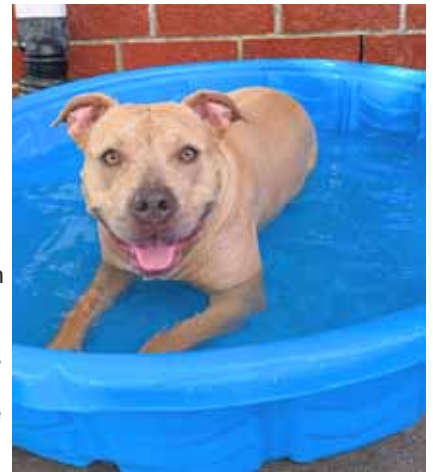

I'm **Mac**, the sweetest, most loving, cuddliest, people-oriented cat in the world! All I want is a human to call my own. You walk into the room and I'm all over you. You're the center of my universe and all I ask for is your love and companionship. I enjoy looking out the window and

observing the outside world. I love a soft place to lay and take a nap. I enjoy cat trees, scratching posts, and fun toys to play with. My favorite treats are purr pops and I also love a nighttime snack of Sheba cuts wet food. I'm currently on a prescription urinary food for issues I had in the past with cystitis, but I'm doing excellent on my special diet. I must be the only pet in the home, as I do not want to share your attention with anyone else. I do well with kids who are gentle with me. I have so much love to give, all I need is a family or person to give me a chance! I'm fully vetted, neutered, vaccinated, microchipped and litterbox-trained. For more information, please call Operation Top Cat at 910-545-9885 or email otopcatnc@gmail.com. You can apply for my adoption at www.operationtopcatnc.org.

I am sponsored by Cindy Meyers in loving memory of Sophie, Harley and Murphy.

Hi there, I'm **Jada** (A510343) and I may be 9-years-old, but apparently nobody told me I'm supposed to act my age! I'm a bubbly, outgoing, fun-loving girl with plenty of energy, a playful spirit, and a smile that's hard to resist. Now, there is one very important thing you should

know about me: I LOVE WATER! Wading pools, splashing, cooling off on a hot day - if there's water involved, count me in! When I'm not making a splash, I love playing ball, checking out all kinds of toys, staying active, and - of course - rolling over for some good old-fashioned belly rubs. I'm always ready for fun and have a happy, outgoing personality that makes every day feel like an adventure. Also, I'm spayed, vaccinated, microchipped, and on flea prevention. In other words, I've got my bags packed and my swimsuit ready. All I'm missing is you! Let's meet at the New Hanover Sheriff's Office Animal Services Unit. Adoption hours are Monday through Friday from 11am to 3:30pm and on Saturday from 8am to 11:30am. For more info, call 910-798-7500.

Feline Urgent Rescue and Rehab

ADOPT: All of our cats are anxiously waiting to be adopted! Whether you want a mellow Lap Cat or a bundle of energy, we will help you choose the cat who is right for you!

ORANGE ROUGHY AND RED FISH

We are **BONDED** brothers! Both of us are about 4-years-young and just "BEAUTIMOUS"! That's me, Roughy, on the left. I have long blonde hair! Red is on the right. He's more of a crew cut guy! We love to play together, eat together and just hang out together! FURR is working hard to get us a home together! We are both totally vetted and ready to go! We are a teensy shy at first with new people, but after we get to know you, it's all GREAT from there! Please come to meet us...we are waiting so patiently for YOU! To arrange a visit, text 864-483-2444 or send an email to adoptafurrcat@gmail.com.

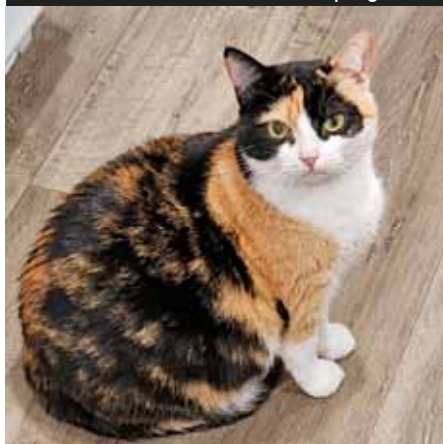

DONATE: Covering medical costs, pet supplies and food are every day expenses for FURR. We accept monetary and non-monetary donations which are tax-deductible to the extent of the law!

DAVIS AND STRIPES

We are a **BONDED** pair of **SUPER KIND** boys! Although we are not related, we spend all of our time playing together, eating and sleeping together! We are young adults and we are both **GORGEOUS**! We are fully vetted and just need a home to call our own! FURR rescued both of us when we were homeless and in rough shape! Pleeeeease come meet us and you'll fall in love! To arrange a meeting, text 864-483-2444 or send an email to adoptafurrcat@gmail.com.

VOLUNTEER: There are lots of ways to help our cause, from raising awareness about spaying/neutering, to helping with fundraisers or simply volunteering time to care for the kitties!

BUMBLE BEE

I am just adorable, colorful and **FULL** of personality! I would prefer to be the only kitty in a household because I want to be the **QUEEN BEE** and get all the attention (and food) for myself! I am 2-years-old, fully vetted and ready to go! I have a silly, quirky personality and some "tortitude", even though I'm a Calico, so I would prefer **NO** other kitties or dogs... and probably not kids! They all smell! I am a favorite at FURR because I **LOVE** pets and scratches and I talk a lot! You've got to meet me to see how special I am! This is your opportunity to get a once-in-a-lifetime kitty...**ME!!!** To meet me, text 864-483-2444 or send an email to adoptafurrcat@gmail.com.

Hi, I'm **Heather**, a sweet 2-year-old girl who believes there's really no such thing as too much attention! I'm loving, sociable, and always ready for pets, cuddles, and some quality time with my favorite humans. I'm pretty laid-back and well-mannered, but I also have a playful side - and

I'm quite the little conversationalist when I have something to say! I'm spayed, litterbox-trained, and all ready to settle into a home where I can be loved and spoiled. If you're looking for an affectionate kitty who will happily soak up all the love you have to give, I just might be your girl. Come meet me at Petsmart on New Centre Drive in Wilmington or email Adopt-An-ANGEL at adopt@adoptanangel.net

I am sponsored in honor of all the wonderful foster mommies and daddies who care for homeless animals.

I'm **Gus**, a 4-year-old, 43-pound Hound mix boy with goofy charm and a heart full of love. I enjoy being close to my people, soaking up affection, and sharing quiet, cozy moments together. A little unsure at first, I warm up with

patience and kindness, revealing a gentle personality. I'm looking for a peaceful home where I can take things at my own pace, enjoy plenty of love, and build a special bond with my person. I'd do best with children 16 and older.

I'm at Paws Place, and they're open Tuesday through Saturday from 10am to 2pm. No appointment is necessary! Please call 910-845-7297 or email info@pawsplace.org for more information.

Hi there! I'm **Betty White** (on the left), and the gorgeous girl snuggled up beside me is my sister, **Ruby Rose**. We may not be sisters by birth, but as far as we're concerned, we're family! Ruby and I have been together since we were just tiny kittens, and now, at

about 4-years-old, we're still the best of friends. We've grown up side by side, shared countless naps and cuddles, and we'd really love to spend the rest of our lives together, too. I'm the more outgoing one of our little duo, while Ruby likes to take her time getting to know new people. But once she decides you're a friend, watch out - there's a serious snuggle bug hiding underneath that shy exterior! And when you have BOTH of us feeling comfortable and affectionate? Well, that's twice the purrs, twice the cuddles and twice the love. We think we make a pretty irresistible pair. Just look at us - we even know how to squeeze ourselves into the same cozy bed! We are both spayed, vaccinated and litterbox-trained, and we're ready to trade our shelter bed for a comfy spot in a home of our very own. So, what do you say? Is there room in your heart and home for two sweet sisters who already know they belong together? Please visit us at Southport Oak Island Animal Rescue (SOAR). Adoption hours are 8am to Noon on Monday, Tuesday, Wednesday, Friday and Saturday. The shelter is closed on Thursday and Sunday. If you have questions, call 910-457-6340.

We are sponsored by SOAR in loving memory of all their wonderful, furry friends who made it safely to the Rainbow Bridge.

Hi there! My name is **Layla** and I'm hoping my next best friend is reading this. I'm 7-years-old, and if you asked my family, they'd tell you I'm one of the sweetest, most loyal dogs they've ever known. I love my people with my whole heart. I'm happiest curled up next to you on the couch, going for walks, playing outside, or just being wherever you are. Belly rubs? Yes, please. Treats? Even better. This is the hardest thing my

family has ever had to do. They love me more than words can say, and if love alone could fix everything, I'd be staying right where I am. But sometimes life changes in ways none of us expect. My family now has very young children, and I've learned that I don't do well with the unpredictability that comes with toddlers. I need a calm home where I can truly relax and be the best version of myself. It's not anyone's fault - it's just who I am. I'm looking for a home without any other pets or young children. I'm healthy, spayed, microchipped, up to date on vaccines, and my skin allergies are well managed with Apoquel. My family will send me home with plenty of medication, food, treats and all my favorite beds and blankets to ease my transition. If you're looking for a loyal best friend who will greet you with a wagging tail every day, keep you company on walks, and love you with her whole heart, I might just be your perfect match. My family only has one wish - that whoever adopts me loves me even half as much as they do. If you do, I promise you'll have a best friend for life. My email is homeforlayla19@gmail.com and I can't wait to meet you!

Walter

Weston

I'm **Walter**, the black and white kitten with a black patch over my right eye, and this is my brother **Weston**, who's black, and my sister **Wilma**, who is black and white with a black spot on her nose. We are 6-months-old and we're ready to go and go and go. We love to do

anything kittenish: run, jump, wrestle, play with all sorts of toys. But then, we find a warm patch of sunshine and we need to nap and store up some more energy so we can go and go some more. To meet us, please email Cat

Tails at cattails@atmc.net or call 910-253-1375. You can also visit our website at www.cattails.org for more info.

Hi, friends! I'm **Peppermint Patty**, a confident, playful little girl with a big personality and an even bigger heart. Raised from just three-weeks-old alongside my five brothers and my mom, I learned early on how to hold my own - and I still carry that bold, spirited energy today.

While I can keep up with the best of them, I am just as loving as I am spunky. I absolutely love to play and will happily entertain myself (and you!) with my antics. When I'm comfortable, I'm also incredibly affectionate - I enjoy being carried, getting kisses from my foster parents, and curling up to sleep on my foster dad. I can feel overwhelmed in busy environments like adoption fairs, where

I may seem a bit dramatic - but it's only because I'm scared. Once I'm back in a calm setting or with someone I trust, I quickly settle down and show my true, sweet nature. I may be a little shy when meeting new people at first, but I warm up quickly once I realize I'm safe and loved. I have been well-socialized, even spending time in an office where I've met new people and other cats. Give me a moment to feel safe, and you'll be rewarded with a loving, playful, and deeply devoted companion whose true colors - and stripes - are absolutely beautiful. Just

11-months-old, I am healthy, spayed, up to date on vaccines and litterbox-trained. To meet me, please reach out to Susannah with Adopt-An-ANGEL at 910-381-8926 and let's set up a time to get together.

OPEN SATURDAYS!

◀Hi friends, I'm **Poppy** (AF16163), the sweet little sister of the Sunshine Litter! I'm 6-months-old, and I may not be a tiny baby anymore, but I think my beautiful tiger stripes and playful personality make me even more irresistible. I love romping and playing with other kittens, so I'd be thrilled to have a kitty friend in my forever home - or

a human who's ready to become my very best playmate and cuddlemate! If your life could use a little more sunshine, I'm ready to brighten every single day. ♥

◀I'm **Pearly** (AF16192), a tri-color Hound who is just 2-years-old, 50 pounds, and easy-going as can be. My family wasn't able to keep me (through no fault of my own) and wanted me to have a chance for the good life that I so deserve. Hounds like me often like a doggie playmate, so if you already have a dog, you're invited to bring him or her along for a professionally supervised meet and greet. Hope to see you soon! ♥

▶I'm **Trolley** (15562), a lovely 8-year-old girl who was found as a stray. I clearly had some loving care as my ear tip tells everyone that I have seen a vet, and my faded pink floral collar shows that someone once recognized my beauty. I eat with gusto, as well as a bit of spillage, as I'm toothless. But I don't mind - I've got a queen's confidence! You'll be sure to adore me. ♥

▶I'm an all round nice girl, a pretty little 45 pound Hound, and my name is **Sally** (AF14975). I love my walks and spending time with my favorite people; sometimes even more than I like tasty cookies! And a favorite thing of mine is to play in the pool...any size will suffice, as long as it has wet water! I'm fully vetted and ready to become a VIP member of a loving and lucky family. Could it be yours - what do you say? ♥

Please visit our Facebook page to see other animals up for adoption.

◀Hi, everyone! I'm **Jeffrey** (AF16277), a 2-year-old boy with a stunning Tabby coat, big golden eyes and a personality that can't be beat! I am a very friendly and out-going fellow, and I see my stay in the KitCat room as a chance to make friends and influence people. If your home would be more complete with a purr-sonal greeter, come on by and have a conversation with me! I'm neutered, up to date on vaccines and ready to take that freedom ride home. I just can't wait! ♥

◀I'm **Slate** (AF15975), a handsome 5-year-old Shepherd mix boy who arrived at the shelter due to being bullied by a small dog in the home. I'm now looking for a loving family who has a dog that is compatible with me, or no other dog would be fine, too. No cats, please! You can't tell from my glamour shot, but I need to lose a few pounds. We can go for walks together! ♥

Hi there, humans! I'm **Titus**, and I'm celebrating my very first year on planet Earth. If life is a highway, I'm the dog flying down it at 100 miles per hour with my ears flapping in the wind. Leaves blowing in the yard? Amazing. The squeaky toy I've squeaked 4,000 times today? Still thrilling. You sitting on the couch? Perfect time for a flying cuddle attack. But don't worry - once I burn through all my battery packs, I melt into the ultimate lap dog and am always happy to soak up all the love and affection you can give. I love my people with my whole heart, and I absolutely love other dogs. I would thrive in a home with a playful canine companion or plenty of opportunities to make new furry friends. If you've got a sense of adventure, a pocket full of snacks, and room in your life for a loyal, goofy, brilliant best friend, call Carolina Boxer Rescue at 910-799-5638, email carolinaboxer@gmail.com, or visit the website at www.carolinaboxerrescue.org to apply for my adoption.

I am sponsored in loving memory of Taffy.

Hi, I'm **Shadow**, a petite Russian Gray girl who isn't even a year old yet - and I'm hoping to find a forever human to follow around! They named me Shadow because wherever my human goes, you can bet I'll be right there, too! I'm incredibly affectionate and happiest when I'm getting plenty of attention, lap time and cuddles. I enjoy playing with my foster kitty siblings, but if I have to choose between them and my person... well, I'm choosing my person every time! With my sweet, easygoing personality, I may also do well with another friendly cat or dog. What I really want is a safe, indoor-only home with someone who has plenty of love to give. If you're looking for a little gray shadow who will adore you with her whole heart, we just might belong together. Currently, I'm in a Friends of Felines foster home. To apply for me, visit www.friendsofelines.org/adopt and click on the Adoption Application tab on the lower right corner. You can email friendsofelines@aol.com or call 910-232-7741.

I am sponsored in loving memory of Jane "Button" Honeycutt Spencer.

◀I'm **Pancake**, a sweet and playful 6-month-old Hound mix girl who is ready to add a little extra sunshine to the last days of summer! Full of puppy personality, I love spending time with my people and I'm always ready for playtime, cuddles, and affection. I still need to be

spayed before heading home, and Paws Place will take care of that for me. I'm ready for visitors now, so stop by and meet me. I may just be the sweetest way to end the season! ♥

◀I'm **Waffles**, a sweet and silly Hound Mix boy who weighs 41 pounds. At just 6-months-old, I'm still growing! I'm a playful pup who serves up plenty of fun, goofy charm, and tail-wagging personality. I love my toys, I enjoy staying busy, and I'm always ready to make you smile.

Please stop by Paws Place and let's see if I'm

the perfect recipe for your family. Everyone loves waffles! ♥

◀I'm **Ariel**, a sweet and playful 9-month-old Shepherd mix girl who knows how to make friends! I love playing with my toys and am always excited to spend time with the volunteers and staff. Whether

I'm showing off my favorite toy or soaking up some extra attention, I'm happiest when I'm interacting with my

people. If you're looking for a fun, loving companion who's always ready to play and make new friends, I may just be your girl! Stop by and say hello, please! ♥

◀Hi, my name is **Cody**! I'm a handsome 5-year-old, 50 pound red and white Hound boy who is ready to make the most of the last days of summer!

A little shy at first, I warm up with patience and soon reveal my sweet, gentle personality. I'd love to spend the rest of the season enjoying leisurely

walks, relaxing afternoons, belly rubs, and plenty of time by your side. Don't let summer slip away without meeting me. I could be the perfect companion for the season ahead! ♥

Photo by The Photo District

◀I'm **Ladybug**, a sweet 49 pound, 1-year-old Pit Bull mix girl who is ready to make the most of the last days of summer! I love meeting new people, playing with my favorite toys, and soaking up attention. I'm very treat motivated and eager to learn,

which makes training fun and rewarding. I would thrive with a patient family who can help me continue learning my manners. I'm looking for a home where I can be the only pet and I'd do best with children 16 and older. I just may be your perfect companion, so let's meet soon! ♥

◀Hi friends, my name is **Tiana**! I'm a 1-year-old Shepherd mix girl who believes every day is better with a little playtime and a lot of fun! I have a super-sweet personality and I enjoy making friends and soaking up attention. Most of all, I'm a water-loving girl who thoroughly enjoys the doggie pool

here at the shelter. Whether I'm splashing around in the water, playing with my friends, or showing off my playful personality, I'm sure to keep you smiling! Come meet me at Paws Place and let's see if I could be the one who makes your days a little brighter. There is no appointment necessary! ♥

I'm **Sparkles**, an adorable 1-year-old, 45 pound ball of energy with a heart full of love. I'm considered a puppy, so I have plenty of energy to keep you on your toes. If you are on the couch, I love to jump up and cuddle with you. I'm extremely smart and pick up on training and activities very

quickly. I am also very eager to learn. I am shy at first, and am looking for a forever home that will provide me with love and patience until I can adjust to their routine and environment. I get along great with other dogs. My ideal home would be one that has another dog, preferably a male, who can help me develop more confidence. I get along well with cats and if there are children, I prefer them to be older. I walk very well on leash and look forward to taking casual walks or hiking with my forever family. I am completely house-trained and understand appropriate indoor behaviors. I am also crate-trained. Apply for me at www.freedomgermanshepherdrescue.org and an adoption coordinator will be assigned to you. You may also call Freedom German Shepherd Rescue at 919-670-5905 or email info@freedomgsrescue.org.

I'm **Peanut**, a sweet, 22-pound boy with a short, red coat and a Dachshund-like face, though my body tells another story! I'm low-energy, calm, and enjoy lounging in the sun, curling up in my bed, or going for gentle walks. I'm friendly once I get to know you and enjoy snuggling occasionally, though I'm just as happy quietly

observing my people from my cozy spot. I'm blind in my left eye and have limited vision in my right, which makes stairs a bit tricky, but I'm learning quickly with a little help and patience. I do well around other dogs, though I mostly keep to myself, and I haven't been around cats. I'm learning house-training and do best on a strict schedule. I am crate-trained and when I need to go out, I'll let you know. I'm looking for a calm, patient home where I can safely navigate my world, enjoy my favorite bed, and share gentle companionship with people who understand my needs. If you're looking for a chill, loving pup who will quietly brighten your days and enjoy your company, I could be the perfect addition to your home! Please apply at www.rescueconnectnc.com. You can also call 910-302-7290 or email rescueconnectnc@gmail.com.

► Hi, my name is **Happy Hazel**, and I'm a gorgeous 4-year-old Russian Blue mix!

I may be bashful at first, but once I warm up to you, I'm incredibly sweet and friendly. I enjoy the company of other cats and do great with kids. I've not been around dogs yet, but I

might get along well with a calm pup. Once I know I'm safe in a household, I am a very affectionate and playful girl who will give you unflinching love in the form of purrs and head bonks. Could you be the perfect family for me? Call or text 910-707-4372 to meet me in my foster home and find out! ♥

Photo by The Photo District

► Hi there! My name is **Chocolate Chip**, and I am a 2-year-old girl who is ready to find a loving place to call home! I am a sugary sweet, talkative, and extremely affectionate cat who loves being petted and doesn't mind being held.

My gorgeous, unique markings make me just as stunning on the outside as I am on the inside. When I'm not lounging around the house enjoying a cozy nap, you'll find me chasing a laser toy, begging for Churu treats, or wanting to be right by your side. Please call or text 910-707-4372 to meet me! ♥

► My name is **Lillyanne** and I am a beautiful 2-year-old female tortie, but I don't have the "tortitude" we're known for. Instead, I am sweet, gentle, and affectionate. I always want to be close to you for pets and to take naps snuggled up together. I would do best in a home without toddlers or dogs. It's not known how I would do with other cats, but with a proper introduction we would likely get along. I am

a candidate for our foster-to-adopt program if you want to see for yourself how I would do with another cat. Please call or text 910-707-4372 so that we can get together soon! ♥

► I'm **Lady Cleo**, an affectionate and snuggly gal who's around 9-years-old. I absolutely love people, adore attention, happily soak up pets, and may attempt to crawl onto your shoulder to be as close as

possible. Food is the way to my heart - I am very treat motivated. I do not scare easily, which makes me adaptable to many family types! I do well with dogs, as well as children, although I do sometimes give very gentle love bites. My fur tends to shed a bit, so regular brushing will keep my coat luxurious and beautiful. I have so much love to give - will you give me a chance? Call or text 910-707-4372 to meet me! ♥

Adoption Fairs EVERY Saturday from 11am - 3pm

at Pet Supplies Plus in Porters Neck (134 Hays Lane)

Photo by The Photo District

◀ Hello beautiful people, I'm **Mystery Science Theatre 3000**, a 1-year-old Orange Tabby boy. I am very in your face and always want to be around you, doing what you're doing. I will be your shadow, but not everyone loves that. I came to the rescue with my siblings, but I experienced a urinary blockage due to a congenital issue. This required surgery to cut off a piece of skin that was blocking my urethra. The vets had never seen anything like

this, and it was a "Hail Mary procedure." Afterwards, I was incontinent for 6 to 8 weeks and in diapers. Then, I got another uti, forcing me to strengthen my pelvic muscles...and I am no longer incontinent and can use the litter box with no issues. It is a possibility that I could have another blockage down the road and would need another surgery. As such, All 4 Cats is willing to cover the cost of the surgery up to 3 years down the road if I need it. I'll need to be on a special diet and cannot be left alone for extended periods of time. I am very playful and have a lot of kitten energy. I get along amazingly with other animals including dogs, and I love children. I'm available as a foster-to-adopt only, so please call or text 910-707-4372 to meet me. ♥

3-3-3 RULE

We know you're eager to bond with your new pet, but it usually doesn't happen overnight! The **3-3-3 Rule** outlines the adjustment period your pet will need as they get used to their new home. Every pet is unique and will adjust differently, but you can help the process by letting them go at their own pace.

3 DAYS TO DECOMPRESS

**In the first 3 days,
your pet may...**

- Feel overwhelmed
- Be scared and unsure of what is going on
- Be more likely to escape
- Not be comfortable enough to be themselves
- Shut down and want to curl up or hide in their crate or under furniture

3 WEEKS TO LEARN YOUR ROUTINE

**At three weeks,
your pet is...**

- Starting to settle in and feel more comfortable

◀At 6-years-old, I'm more than just a beautiful girl, I'm a true survivor! My name is **Misty** and I was found barely alive, fighting for every breath. I could have given up, but I chose to fight, day by day, with a strength that everyone admires. Now, I'm here: soft, gentle quietly resilient, and

in perfect health. I know how precious life is and I'm looking for someone who believes in second chances. If you're hoping for a companion with a heart as strong as it is sweet, I'm waiting here for you and our beautiful future. ♥

▶I'm **Rue**, a 3-year-old Tabby girl with lots of personality packed into my sturdy frame. I would thrive as the queen of my own castle, where I can enjoy a calm, predictable home without other pets. I enjoy lounging and soaking up quiet companionship. If you're looking for a loyal feline friend who prefers a one-cat household and will reward you with her presence and personality, I may be your girl! I am spayed, vaccinated, litterbox-trained and ready to join you on that ride home! ♥

◀I'm a 10-month-old sweetheart named **Vader**! I start off a bit shy but, once I'm comfy, my curious and gentle side comes out and you'll discover I'm a complete **Velcro Kitty**! I'll thrive in a loving home where I can continue to build confidence. Want an affectionate companion? Look no further! I'm also neutered, vaccinated, litterbox-trained and ready to go. I plan to steal your heart, not your galaxy. ♥

◀It was love at first sight the moment the shelter staff met me! Honestly, it's impossible not to fall for my goofy grin and happy eyes. I'm **Bandit**, a handsome 2-year-old Boxer mix boy who is full of love, personality, and enough energy to keep life exciting every single day. I'm playful, affectionate, and always ready to "steal" another heart. Won't you come by the shelter and let me steal yours, too? You'll see why life is better with me. ♥

◀Hi, my name is **Julie**! I'm a 2½-year-old English Bulldog with a whole lot of personality, not to mention an adorable wrinkly face. I am house-trained, spayed, vaccinated and on heartworm prevention. I would do best in a home without other animals so I can soak up all the love, attention, and cozy couch time for myself. I'm loyal, full of charm, and I've got that

classic Bulldog mix of sass and sweetness. If you're looking for a devoted friend who will be your shadow, your snuggle buddy, and your daily dose of Bulldog smiles, I just might be your girl! Apply online or come on over and meet me! ♥

Hi, I'm **Loni**, a brown Tabby girl. These are my brothers, **Larry**, a brown Tabby, and **Ladd**, a black Tabby. We are about 5-months-old. Best of all, we are all beautiful, friendly and playful. We'd be a wonderful addition to a home, especially a home with lively, playful kids that can keep up with lively, playful kittens. Sound like fun?

My name is **Yeti** (short for Arriety) and I'm a sweet dilute Tortie kitten with the sweetest voice. My birth mom was feral but another foster cat adopted me and is teaching me that people can be trusted. I now come up for pets and I purr a whole bunch! I'm a very playful girl and I really

enjoy romping and racing with the other kittens in my foster home. I also get along great with an adult kitty who treats me very maternally and is my best friend. We love grooming each other, cuddling and playing together. I'll need to have a cat friend in my forever home and I'd be thrilled to go home with one of my buddies here. You can apply for my adoption at www.friendsofelines.org/adopt and click on the Adoption Application tab on the lower right corner. You can also email friendsofelines@aol.com or call 910-232-7741.

I'm a 1-year-old Shar Pei mix, which means I come with plenty of personality, a sweet heart, and - most importantly - lots of wonderfully squishy wrinkles! I'm an affectionate boy who absolutely loves being close to my people. I take treats politely and already know how to sit for them. Handsome and well-mannered? What a combo!

When I'm not soaking up affection, I have plenty of fun things

on my agenda. I love the water, I adore my stuffed animals, and I enjoy spending time with other dogs. In fact, I've even been to doggy daycare and did great! Because I'm a Shar Pei mix, my shelter friends would especially love to find an adopter who has experience with the breed. Could you be the one I've been waiting for? My ID number is **A519007**, so ask for me! I'm at the New Hanover Sheriff's Office Animal Services Unit. Adoption hours are Monday through Friday from 11am to 3:30pm and on Saturday from 8am to 11:30am. For more info, call 910-798-7500.

I am sponsored by the Hufstedler family in loving memory of their past loved fur babies: Ella, Rex, Misty, Buddy, Dottie and Houston.

To adopt, visit our website or send an email to sgsrtreasurer@gmail.com.

◀ I'm **Nola**, a 10 to 11-month-old girl who is ready to bring my whole heart into your home. I've spent the last month with a loving foster family, and I've blossomed into a playful, silly, deeply loyal girl who just wants to be near my people - literally. Expect to be followed from room to room, because in my world, wherever you are is exactly where I want to be. I can be playful and silly, but once I

get to know you, get ready to be kissed to death - I am an affectionate, loving girl with the people I trust the most. ♥

▶ Hi! I'm **Chase**, a fearless and confident 1-year-old boy who is curious about everything in my surroundings and beyond. I'm a quick learner and very food and treat motivated. I am house-trained and crate-trained. I know "sit", "crate up", "inside" and "outside". I love exploring, so an active family who takes me along on adventures would be great! I love playing soccer with my tennis ball, and am a happy pup.

To learn more about me, please visit our website! ♥

▶ Hello, I'm **Maggie**, a 9-year-old German Shepherd with soulful eyes, 91 pounds of love (okay...maybe a little extra love), and a comeback story that deserves its own movie. I came into foster care physically depleted, emotionally shutdown, scared of men, confused by normal household life, and startled by every loud noise. Today, a once-terrified girl now nudges my foster dad for pets and proudly flops

over for belly rubs. I have survived heartbreak, neglect, and fear - and somehow still wake up every day ready to love. I may be a bit of a chunky queen, but I've got pep in my step and a heart the size of my shepherd ears. ♥

▶ I'm **Lexi**, a fun-loving, high-energy gal who is searching for a forever family that can keep up with my zest for life! I thrive on playtime and would love a home where I have plenty of space to run, play fetch, and show off my trademark zoomies. I enjoy walks, car rides, and exploring new places, and I'm happiest when I keep busy or when I can burn off my abundant energy. Let's meet! ♥

▶ Hi there! My name is **Lola** and I'm 1-year-old. I love other dogs, kids, being your foot stool, getting my routine mani/pedi, water and bath time, and snuggling in bed with my foster parents. I like cats and car rides, if you give me a boost. I'm very eager to learn and highly treat motivated. I know the sit command, and I am working on the stay part. I've never eaten or chewed up anything I wasn't supposed to. If I sound like a pup you could love, I would very much like to meet you! ♥

◀ My adoption fee is sponsored!

Hi everyone, it's me, **Lily**, and I'm still waiting for my forever family to say, "You belong with me." At 5-years-old, I have officially entered my Lover Era. I'm sweet, affectionate, gentle, and happiest when I'm spending time with my favorite person. While some dogs dream of endless adventures, my version of a perfect day is much simpler: a nice walk, a little squirrel surveillance, some couch snuggles, and being close to the people I love. I have never met a stranger. Adults? Friends. Kids? Friends. Visitors? Also friends. If I could write a song, it would probably be called "Please Pet Me Again." ♥

The Ruffian Foundation Desperately Needs Volunteer Assistance For Cats

The Ruffian Foundation is in urgent need of more volunteers to keep its feline sanctuary and shelter running. Without enough support, it is at risk of not being able to continue its operations - and the future of its cats is uncertain. These cats depend on Ruffian for safety, care, and love. Compassionate and dedicated individuals are needed to step up and make a difference. If you've ever thought about volunteering, now is the time. Whether you can give a few hours or more, your help truly matters. Contact Sharon at 910-262-8890 with any questions. The Ruffian Foundation is a 501(c)(3) non-profit organization.

Meet Adoptables from Animal Ally Action Fund at Unleashed Southport

Visit Jill Jones, volunteers and adoptable pets from Animal Ally Action Fund at Unleashed in Southport on the 1st and 3rd Saturday of every month from Noon to 4pm. In September, adoption fairs will be September 5 and September 19. They will have a small assortment of dogs and cats available for adoption. Unleashed is in the Wal-Mart Shopping Center in Southport. All foster pets are spayed/neutered, vaccinated, and microchipped. Dogs are tested for heartworms, treated if necessary and come with a 6 month supply of heartworm/flea prevention, a leash, martingale collar and anti-pull harness. Adoption fees are: Cats \$60 and Dogs \$150. Call Jill Jones at 910-620-3783 to meet adoptable animals any other time or to donate to the cause.

Get a Head Start on Halloween

Halloween is right around the corner! If you are looking for the perfect costume for your pet or spooky decorations for your home, come check out the Animal Lovers Thrift Shop in Burgaw. It is open Wednesday through Saturday from 10am to 5pm and is located at 401 Hwy 117S in Burgaw. You're welcome to bring your friendly pet to try on their trick or treat attire! Every item in the store is donated so that 100% of the proceeds support Monty's Homes's Pawsitive Partners Prison Program, in which specially screened inmates train rescued dogs from county shelters, teaching them basic obedience and household manners during a 7-week course. Upon graduation, the dogs are adopted and a whole new set of pups are chosen! For more information, send an email to Info@MontysHome.org or call 910-259-7911.

Drivers Needed For Furry Friends

RescueConnect is looking for transporters! Animals in their care need rides for a variety of reasons: to pick an animal up from a shelter where they have been pulled, to take them from foster homes to vet appointments, and to take them to partner groups for adoption. All you need is a secure vehicle and a desire to help! Drivers are needed that can help with both local transport and longer trips. To volunteer, visit www.rescueconnectnc.com, put your cursor on 'Volunteer' and click on 'Transport', or call 910-302-7290 for more information.

Every morning and afternoon (flexible), you're invited to come enjoy some playtime with the kitties at Feline Urgent Rescue and Rehab (FURR) at its Hampstead location. Just a few hours once or twice a week can help newly rescued felines see life differently. Helping them learn to trust, love and get ready for adoption not only mends their hearts but yours, too! Volunteers must be 18-years or older, have a car, love cats, be reference checked and dependable! Please send a text to 864-483-2444 for more information.

To adopt, please email catilm@earthlink.net or text/call 910-599-2755.

► I'm **Stormie**, a tiny 3-month-old white kitten with black spots. I was found in a feral cat colony, but a volunteer quickly realized a friendly girl like me did not belong on the streets. Instead of running, I wanted to be held! I was gently scooped up and rescued. I'm a total lover who craves affection, and I love being petted. I show my intense appreciation with a wonderfully loud purr. I love other kittens and I don't mind the older dog in my foster home. Call 910-599-2755 to meet me, please! ♥

► Hi! I'm **Sally** and I was rescued from an apartment complex where my mama, Suzie, gave birth. I'm a tiny fluff of Tabby and white fur right now, but I am the sweetest and most gentle baby girl. At 6-months-old, I enjoy pouncing on other kittens and my own tail. I appreciate affection and am learning that people's laps are the coolest place to nap. If you'd like to meet me soon, please call my pals at 910-599-2755 to arrange a get-together! ♥

► I'm **Ophelia**, a gentle, laid-back observer and a total love-bug who prefers lounging in warm sunbeams and soaking up affection. I just turned 3-years-old and I celebrated my birthday by taking a long nap with my gorgeous sister Luna (also featured on this page). Our owners moved overseas so we two lovely sisters are searching for a new start! If you have room in your heart for a perfect duo like us, we're ready to bring double the love to your home! Please call 910-599-2755 to arrange a meeting. ♥

► Sweet and cuddly, I'm the cutest 4-month-old baby cat you'll ever meet! My name is **Dahlia** and I'm a beautiful black and tan Tabby with an adorable white chin, chest and paws. I'm full of pure kitten energy but when it's nap time I'll perch on your chest and snuggle in tight. I play well with other cats, too! If you need some kitten playfulness in your home, then please come meet me as soon as you can! Call or text Cat Adoption Team at 910-599-2755. ♥

Celine

Cindy

▲ I'm **Celine** and this is my sister, **Cindy**! Just 14-weeks of age, we were rescued in downtown Wilmington and bottle fed by our foster mom. Although we've now outgrown our baby stage and are very playful kittens, we still like to be cradled like babies, and we purr up a storm when our tummies are rubbed. We get along great with the other cats, but love each other the most, so we hope to be adopted together. Call 910-599-2755 to meet us! ♥

► I'm **Luna**, a playful, outgoing explorer who is full of personality and I love watching birds from my window perch. Aren't I just gorgeous, too! My luxurious fur with these tuxedo markings and crazy white whiskers just draw you in for a head bop. At 3-years-old, I'm a black and white beauty who is searching for a new forever home along with my gorgeous sister Ophelia (also featured on this page). Our owners accepted a job overseas and sadly couldn't take us along, leaving we two bonded girls looking for a fresh start. Are you looking to add two new besties to your life? We promise you won't regret it and we will always appreciate our second chance. To meet us, simply call my friends at 910-599-2755. ♥

5 REASONS TO ADOPT, NOT BUY, YOUR NEXT PUPPY

1

You Save Lives:

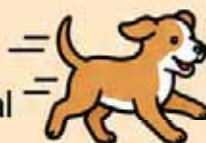

Adopting a pet gives a deserving animal a second chance and directly combats the high euthanasia rates of healthy animals in shelters.

2

2. You Fight Puppy Mills:

Buying puppies from pet stores or online often supports unethical, cruel commercial breeding operations (puppy mills).

3

It is Highly Cost-Effective:

Adoption fees are generally much lower in shelters and typically include essential medical services like vaccinations, microchipping, and spay/neuter, significantly reducing initial veterinary costs.

4

You Can Find a Trained, Healthy Pet:

Many shelter animals are already house-trained or trained in basic behaviors, reducing the stress of training a new puppy. Furthermore, mixed-breed pets, common in shelters, often have fewer genetic health issues.

5

You Receive Lifetime Support and Compatibility Matching:

Shelters and rescue groups work to match you with a pet that suits your lifestyle and often provide resources for training and behavioral support after adoption.

◀My name is **Jess** and I'm a 3-month-old Hound mix girl. My sister Jesca and I are looking for loving homes. Someone is interested in her, but I'm still waiting! My

foster dad is teaching me to potty outside. I don't know why, because he potties in the house...I know because I see him! Oh well, I guess it's what I'm supposed to do. I'm a young girl who is learning all about this world. I love to play, I love other furry friends, I love my toys and, of course, I adore treats! I will be your bestest girl if you would give me a chance! ♥

►I'm **Tank**, a little guy at about 17-weeks-old.

I was rescued by a Good Samaritan and am getting all my puppy shots and hanging out with my foster parents just waiting for my very own forever home. I'm learning my manners and have figured out that I need to do my business outside and not on my foster

parents' floor. I'm working on leash-training, but have to wait a little until I get ALL my doggy shots, so for now, I'm practicing in the house. I can't wait to see what my new future brings me. Do you think it will be with you? ♥

►Hi everyone, my name is **Calypso**. I'm the mama of those 9 beautiful puppies pictured on this page. I'll soon be ready to let my little family move on to their forever homes and it will be my turn to find my new place. I'm a Husky mix and my foster Mama says I'm the best gal! I am gentle with my foster family when they help me with my babies and I love giving them kisses. I should be ready to go to my new foster or foster to adopt home in a few weeks. I do have heartworms BUT my foster family and the people helping me told me to tell you that they pay for everything and that I'm going to be just fine! So if you're looking for a gentle, sweet, beautiful girl who is good with kids, then don't turn the page, I'm right here! ♥

◀Hey there, my name is **Lemon**! And nooo, I'm not sour, I'm very sweet. Just 18 pounds, I'm a Min Pix mix girl who's 10-years-young, but I look and act much younger. I'm VERY food motivated, love to

hang out on the couch, and once I trust you (which doesn't take long), I'm your little Velcro pup. I like to play and go for walks and I enjoy other furry friends, but I'm also cool being all by myself. I'm spayed, up to date on doggy shots and microchipped so I'm all ready to go! I'm certain to be the best companion ever so please call about me today! ♥

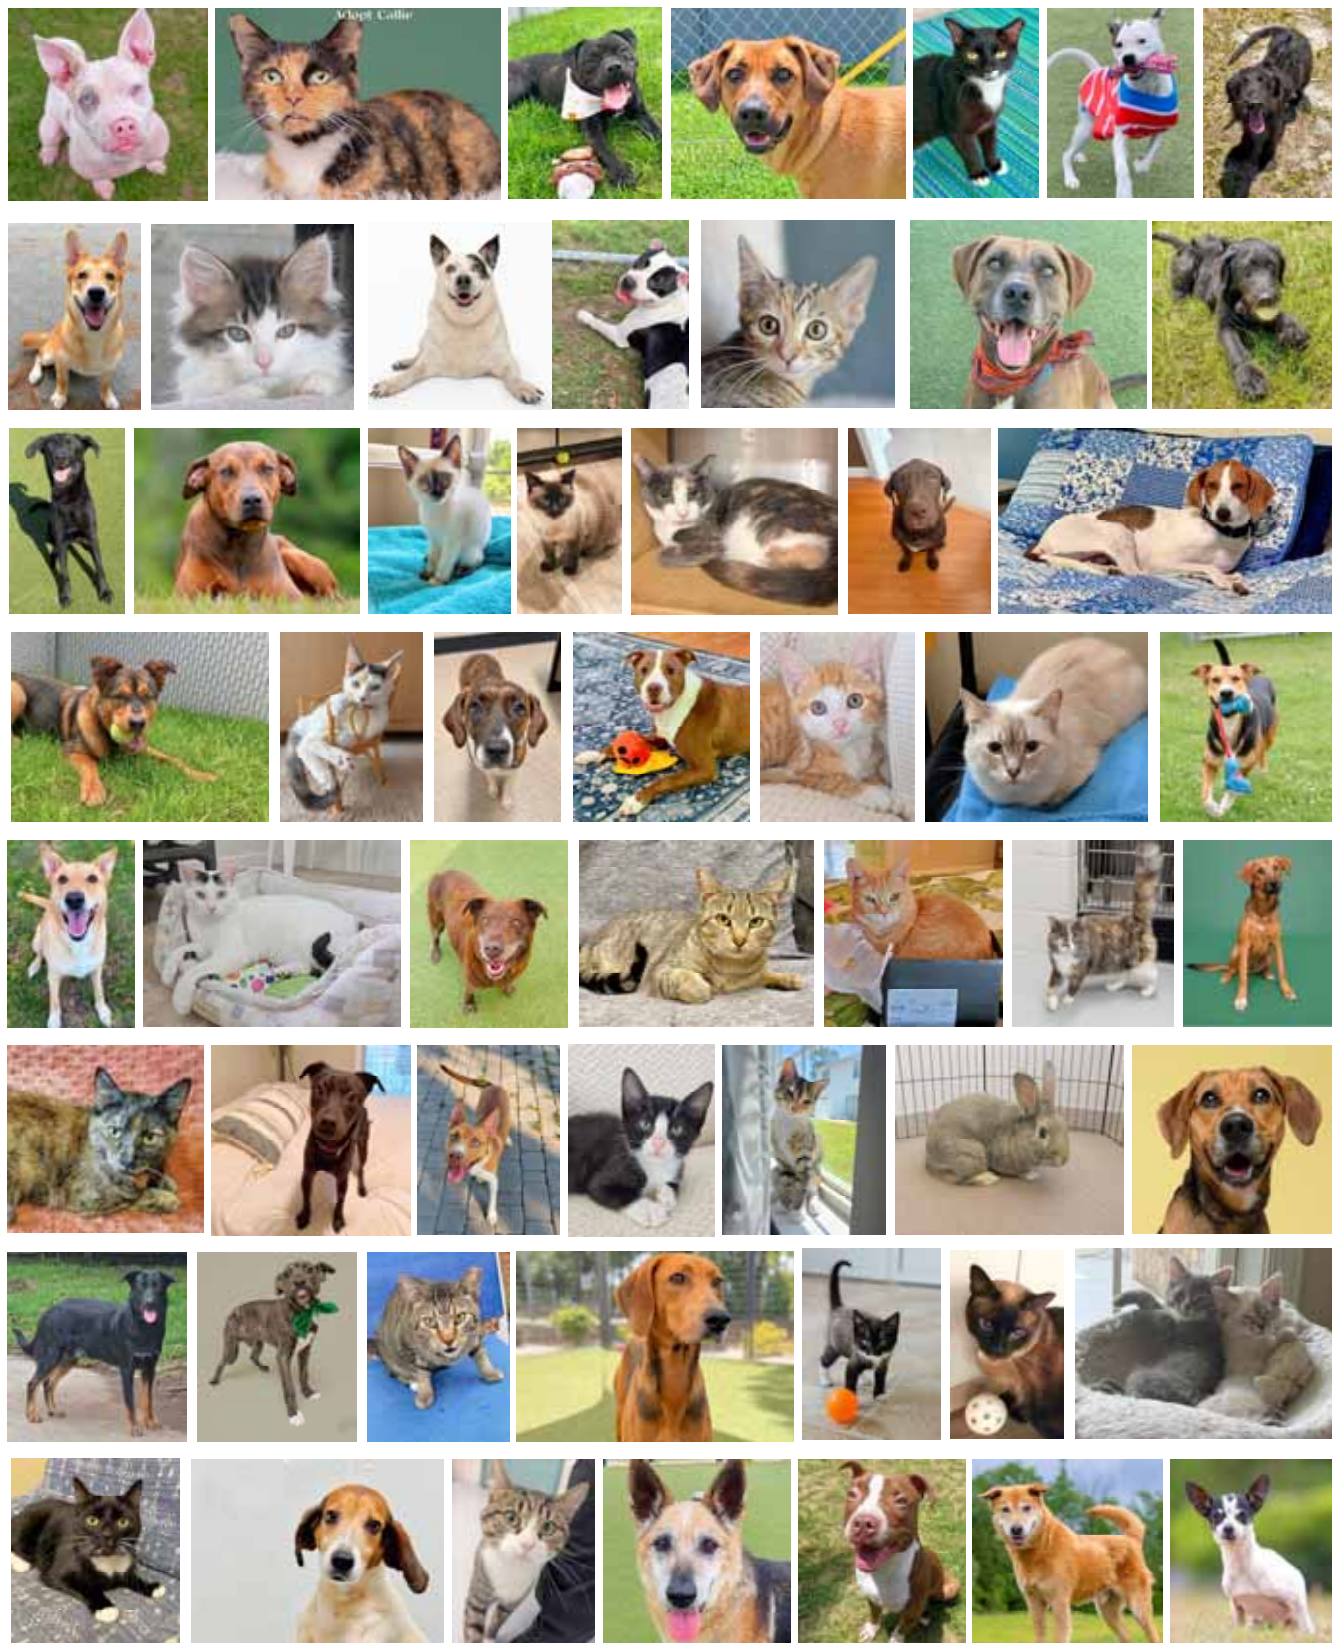

►We're Calypso's puppies, also known as **Ocean's 9**! (Our mom is Calypso and she's pictured on this page.) Seven boys and 2 girls, our names are salty-water themed. Not sure who our Papa (or PaPapas) was/were but we're all incredibly cute! We will be ready to go to our foster or foster to adopt homes around mid-September when we'll be just 8 to 9-weeks-old. Are you in the mood for some puppy love? Call us! ♥

◀Hi there friends, my name is **Diva**! I'm a 6-month-old puppy girl who is a great mix of sweet and sassy! I'm getting my puppy shots and all sorts of stuff to make sure I grow up super-healthy. I love playing with my humans and furry foster siblings. When I'm tired, I put myself to bed in my little house to take a nap and recharge. I really like when my humans tell me what I need to do to be a

good girl, because I want to be the best little companion. ♥
